IX. EQUIPMENTS& VEHICLES OWNERSHIP

1. The number of equipment & vehicles required to be owned / hired and deployed for carrying out the work tendered for, are described in Clause-3 of Chapter-III under Scope of Work. A part of the equipment & vehicles, as specified in the same para, must be owned by the tenderer, in the name of the owner / firm (in case of proprietary firms), in the name of the partner/firm (in case of partnership firms) or in the name of company or any one or more directors of the company (in case of a company) at the time of bidding.
2. The bidder/HTC has an option of hiring /leasing of equipment that are required to be owned by them as mentioned above for an initial period of 120 days. For the leasing/hiring the equipment the bidder will have to submit consent from the owner of the equipment as specified in Annexure-XIV.
3. Bidders who do not own the equipment& vehicles of required model (year of manufacture) as specified in the tender document at the time of bidding but are in ownership of required number of equipment & vehicles of lesser model (year of manufacture) to fulfill the minimum eligibility criteria can also participate in the bidding, provided they give an Undertaking to the effect that in case they are declared successful and the contract is awarded to them, they will bind themselves to purchase (have the ownership in their name) and deploy the equipment of required vintage (year of manufacture) within 120 days of issue of LOI to fulfill the minimum ownership criteria as laid down in the tender document.
Note : In case of 3 above, the model (year of manufacture) of equipment & vehicles in their ownership on the date of bidding should not be more than three years older than asked for in the tender document. (**Example:** In case equipment & vehicles of 2011 make are asked for in the tender document, the bidder must have ownership of at least 2008 or later make of required number of equipment. Equipment older than that will not be considered)
4. Owned equipment & vehicles, as per the minimum number specified, can be deployed within 30(thirty) days from the day of the issue of LOI. However, the tenderer should specify the interim arrangement clearly indicating the source along with a consent letter from the owners for the use of such equipment by the

Signature of Tenderer with Seal

tenderer for the duration of 30 days in the requisite format at the time of submission of the tender(**Annexure-XIV**).

5. At the time of deployment, the actual equipment & vehicles deployed may differ from the details submitted at the time of bidding. An option of giving a fresh deployment plan would be available to the successful tenderer at the time of issue of LOI. However, the minimum eligibility criteria with respect to make, model etc. will have to be adhered to. The changed deployment plan should be duly approved by the RM, CWC, RO, Mumbai whose decision shall be final.
6. Rest of the equipment& vehicles could be on hired basis, for which, the tenderer should submit a consent letter from the owners for the use of such equipment by the tenderer during the entire duration of the contract (contract period of 5 years).
7. The tenderer must submit detailed deployment plan in the requisite format (**Annexure-XIII**) for the equipment asked for in the tender along with consent letter from owners of hired equipment.

2. VALIDITY OF OFFER:

The tenderer is permitted to tender on the clear understanding that, after submission of the tender he will not rescind from his offer or modify the Terms and Conditions thereof in a manner not acceptable to CWC within 90 days +30 days of the last date of submission of the tender, unless extended further with mutual consent. Should the tenderer fail to observe or comply with the said stipulation by way of failure to execute an agreement or modify/ withdraw the offer or refuse to accept work order or fail to furnish the requisite Security Deposit, the aforesaid amount of Earnest Money shall be liable to be forfeited by CWC, and CWC can take recourse to other legal remedies in terms of the contract.

3. Submission of the Tender:

The tenderer shall submit its offer in electronic format on the website www.tenderwizard.com/cwc, on or before the scheduled date and time. Submission of tenders after the scheduled date and time will not be possible. **No offer in physical form will be accepted** and any such offer, if received by Central Warehousing Corporation will be outrightly rejected. Tenderers will have to submit the Tender Fee (cost of tender), Processing Fee and EMD as **prescribed in the tender document**.

Tenders not accompanied with all Annexures duly filled in and signed by the authorized signatory alongwith scanned copies of supporting documents (Self-attested) shall be liable to be rejected.

Each page of the proposal should be initialed by the **authorized signatory** of the Bidder and same be serially numbered. Where the bid documents have been uploaded using the digital signature of the person authorized to sign, the same shall be treated as duly signed.

4. SELECTION PROCESS:

The selection process would consist of the online submission of tender by the interested parties in response to the NIT/Tender. Evaluation of tenders will be done in three steps.

Step 1: Preliminary scrutiny of bids

Step 2: Evaluation of technical bid (based on the eligibility criteria).

Step 3: Evaluation of Price Bid (**Annexure-XXII**)

STEP 1: PRELIMINARY SCRUTINY OF BIDS

The Corporation will scrutinize the bids received to see whether they meet the basic requirements as incorporated in the bid document. The bids which do not meet the basic requirements shall be treated as unresponsive and ignored. The following are grounds due to which a bid may be declared as unresponsive and to be ignored during the initial scrutiny:

- (i) The bid is unsigned (where the bid documents have been uploaded using the digital signature of the person authorized to sign, the same shall be treated as duly signed);
- (ii) The bid is not legible;
- (iii) Required EMD and cost of tender has not been received;
- (iv) The bid validity period mentioned by the bidder in the bid document is for a shorter period than the period required and stipulated in the bid document.
- (v) The bidder has not quoted for all the items, as specified in **Annex. -XXI**
- (vi) The bidder has not agreed to the essential conditions i.e. scope of supply, warranty / guarantee clause, liquidated damages / penalty clause, security deposit / performance bank guarantee and dispute resolution mechanism.

Only the bids which are not unresponsive shall be taken up for further evaluation.

STEP - 2: EVALUATION OF TECHNICAL QUALIFICATION OF TENDERERS.

In the first step, CWC will evaluate the information submitted by the tenderer(s) to select technically qualified tenderers for the subsequent step. Conditional tenders/offers shall be liable for rejection.

Signature of Tenderer with Seal

Evaluation of stage -I :-

- a) Corporation shall evaluate the Technical Bids to determine whether they are complete, whether the required documents as asked for have been submitted and whether the Technical Bid is generally in order as per the qualifying conditions of the tender.
- b) Corporation, if necessary, can ask the tenderer for any specific clarification relating to qualifying documents / condition or can seek missing document(s) within the specified time of 15 days. For this purpose the procedure stated below is to be followed and the specific clarification and missing document is required to be uploaded on the same portal as per the procedure therein.

The Missing document to be submitted should not be of a date later than the date of submission of original bid, however the pre-contract integrity pact as per Exhibit-14 and Affidavit of proprietary firm as per Exhibit-18 submitted as missing documents can be of a date after the date of submission of original bid. The missing documents sought is allowed to be submitted only by uploading on the tender website through which same has been asked.

With respect to qualifying criteria, if any information/document is not submitted or party submitted or wrong document is submitted or the document submitted does not explain fully the tender requirements, same can be sought by the Corporation from the tenderer.

- c) Corporation can waive any minor infirmity or non-conformity or irregularity like spelling mistake(s), signature missing on any page which does not constitute a material deviation.
- d) The tenderer has the option to respond or not to respond to these queries.
- e) The request for clarification and missing document(s) by the corporation and the response of the bidder shall be in writing and no change in price or substance of the tender shall be sought, offered or permitted.
- f) If the tenderer fails to respond, within the stipulated time period or the clarification(s) / document(s) submitted is non-conforming to requirement of tender conditions, no further time will be given for submitting the same and the tender will be summarily rejected.
- g) All the responses to the clarifications will be part of the proposal of the respective tenderer and if the clarifications are in variance with the earlier information in the proposal, the information provided in later stages will be the part of the agreement.

Procedure to be followed for obtaining missing documents & specific clarification:-

- a) An Icon for clarification shall appear on "Bid details" page (in front of each off the bidder's name) at Corporations end after opening of Technical / Financial Bid.
- b) Corporation shall click on clarification icon for the desired bidder and enter the details clarification / missing documents sought within the prescribed time.
- c) After entering the details of clarification / missing document sought by the Corporation, same icon shall appear at Bidder's end for replying to the particular clarification/ missing document sought by the Corporation. The system will also

send the alert to the bidder at his registered e-mail address about the clarification / missing documents sought by the Corporation.

- d) Bidder will click on clarification icon and will reply to the same and upload the required document (optional) in support of clarification sought and also submit missing documents, if any, within the prescribed time. Bidder cannot ask for any clarification from the Corporation.
- e) Once the prescribed time expires, clarification icon from bidder site shall also disappear automatically.
- f) After expiry of prescribed time, Corporation shall download the clarification / missing document submitted by the bidder.

STEP 3: EVALUATION OF PRICE BID AND CRITERIA FOR SELECTION OF LOWEST TENDERER:

Price Bid(s) in respect of the tenderers declared as technically qualified in **Step-2**, will be opened and evaluated. The tender will be awarded to the L-1 tenderer.

The estimated annual **volume of containers/cargo to be handled and transported at ICD, WALUJ is given in Annexure-XIX.**

For evaluation of price bids, the rates quoted by the tenderer in price bid (**Annexure - XXII**) for SOR for handling and transportation of containers/cargo will be multiplied by the volume of the work carried out for such items at ICD-WALUJ as given in Annexure-XIX and the value so obtained will be taken into consideration for arriving the **L-I tenderer**.

For items of operation, given in SOR against which no transaction took place or volume is less than 10 (refer Annexure-XIX), a notional quantity of 10 Nos. will be taken into consideration for the purpose of evaluation against these items. The following formula will be adopted for arriving at the total sum required for considering lowest tenderer.

- i) Volume as described in **Annexure-XIX** (putting the notional value of 10 against the items where there are nil transaction or less than 10) x rate quoted by the tenderer against each item = **A**

The bidder quoted the lowest total value as determined under for **A** above will be L-1 tenderer.

5. QUOTING OF RATES

The tenderer must quote rates in the Schedule of rates i.e. Price Bid (**Annexure-XXII**) carefully and for all categories of work unless and until it has been specifically stated in the tender document that the bidder can quote rates for a part of the activities, both in words and figures. In case the bidder has not quoted rates, written **NIL** or dash or zero or left blank for a particular activity in the SOR, it will be treated that the bidder is agreeing to carry-out that activity free of cost and the same has been considered and the costing has been taken care of in other items of SOR and his bid will be evaluated accordingly. In all such cases the successful bidder will have to abide by the decision of CWC and carryout that particular activity at **ZERO** rates.

In case of any difference in rates quoted in words and figures, the rate quoted in words will be taken into account. Further, in case the tenderer does not indicate a

Signature of Tenderer with Seal

rate both in words and figures and only indicates in any one (either words or figures), then that rate will be taken into account and his bid will be evaluated accordingly. No clarification on the same will be sought and CWC reserves the right of interpretation of the same to its advantage.

6. ACCEPTANCE OF TENDER

1. The authority for acceptance/rejection of the tender documents and tendered rates will rest with the Competent Authority, Central Warehousing Corporation who does not bind himself to accept the lowest or any other tender.
2. Acceptance of tendered rates will be communicated by FAX/E-mail/ Express Letter or Formal letter of acceptance of tender. In case where acceptance is indicated by FAX/E-mail, Express Letter or Formal letter of acceptance of tender will be forwarded to the successful bidder as soon as possible, but the acceptance of lowest bid by the Competent Authority will be deemed to conclude the contract and noncompliance of any terms of agreement, including signing of the agreement, will amount to breach of contract with all attendant legal consequences.
3. The tender documents submitted by a tenderer shall become the property of CWC and CWC shall have no obligation to return the same to the tenderers.
 - a. On acceptance of the tender, the name of authorized representative(s) of the tenderer who would be responsible for taking instructions from CWC shall be communicated to CWC within three working days.
 - b. CWC shall not give any intimation to the unsuccessful bidders about the fact of the rejection of their tender both in the case of technical bids/pre-qualifying bid and price bids. CWC is also not bound to give the reasons for such disqualification.
 - c. CWC also reserves the right to:
 - (i) Award the work partially, if deemed fit by the Competent Authority, in the financial / business interest of CWC.
 - (ii) Overlook any bidder who is in the same line of business and competing with CWC.
 - (iii) Bypass any bidder debarred by any Government / Semi Government body or PSU.
 - (iv) Seek clarifications from the bidders regarding any information and documents submitted, along with pre-qualification/technical bid. Failure to submit the same may render the bid liable for rejection. However the clarifications sought should not change the basic bid submitted by the bidder.
 - (v) Accept or reject any or all of the pre-qualification / price bids in part or full.
 - (vi) If the tenderer deliberately gives wrong information or suppressed /conceals some facts in his/their tender or creates/ create circumstances for the acceptance of his/ their tender fraudulently, the CWC reserve the right to reject such tender at any stage, along with forfeiture of earnest money deposit. Tenderer is liable to face the

Signature of Tenderer with Seal

- penalty of banning of business dealings with him by CWC. Any loss suffered by CWC on this account will be recovered from the contractor. This will be done without prejudice to CWC's right to seek any other remedy under law.
- vii) The Corporation reserves the right to call all the tenderers or any of them for seeking clarification if required by the Regional Manager, CWC, RO, Mumbai at their expenses. However, the L1 tenderer only can be called for negotiations of rates, if required, at their expenses.
- d. The contract would be awarded subject to the approval of the jurisdictional Commissioner of Customs.

7. EXECUTION OF CONTRACT DOCUMENT

The successful tenderer whose tender is accepted shall be required to appear at the office of the Regional Manager, Central Warehousing Corporation, Regional Office, Mumbai, Sector 20, Near APMC Fruit Market, Navi Mumbai-400703 in person or, if the tenderer is a Firm, Company or a Corporation, a duly authorized representative shall so appear to sign the agreement and execute the contract documents within (15) fifteen days of the date of issue of communication (LOI) from CWC's office and start the work within (30) thirty days of issue of LOI or by the date communicated by the respective RM, whichever is later. Failure to do so may constitute a breach of contract concluded by the acceptance of the tender, leading to forfeiture of Earnest Money Deposit, besides any other action, including risk and cost working, that CWC might take as per the Terms and Conditions including General Conditions stipulated in this document. RM may extend the time for execution of Agreement (Annexure-XXI) or starting the work by 30 days each, on the request of the Contactor, or in the interest of CWC, if there are sufficient reasons for doing so.

8. SECURITY DEPOSIT

- 8.1 The successful tenderer shall furnish within a week of acceptance of his tender, security deposit of **Rs.10,50,000/- (Rupees Ten lakhs Fifty thousand only)** failing which the contract shall be liable to be cancelled at his risk and cost and also subject to such other remedies as may be available to the Corporation under the terms of the contract. The contractor at his option may deposit 50% of the prescribed security at the time of award of the contract and the balance 50% may be paid by deductions from his admitted bills at the rate of 10%. The security deposit shall be in favour of the Regional Manager, Central Warehousing Corporation, Regional Office, Mumbai in the form of cash or demand draft issued by any nationalized / scheduled bank payable at Navi Mumbai/Mumbai. The contractor shall, however, have the option, at any time, during the contract period and at the sole discretion of the Regional Manager, CWC, RO Mumbai to withdraw the security deposit available by furnishing a Bank Guarantee for the total amount of the security deposit in lieu thereof.

The bank guarantee shall be valid not only for the entire period of contract with claim period of 6 months but also for a minimum period of one year after the completion of the contract, so as to satisfy the claims of the Corporation against the contractor, if

Signature of Tenderer with Seal

any, for the contract which bank guarantee relates and in the form at **Annexure-IX** issued by any branch of the scheduled/ nationalized bank at Mumbai.

- 8.2 The Earnest Money Deposit of the successful tenderer can be adjusted against the security deposit. The security Deposit will be refunded to the contractor on due and satisfactory performance of the services and on completion of all obligations by the contractor under the terms of the contract and submission of **“No Demand Certificates”** both by the Manager-ICD-Waluj and the contractor subject to such deductions from the security deposit as may be necessary for making up the Corporation’s claim against the contractor. **It is made very clear that no interest is payable on the amount of security deposit lying with Central Warehousing Corporation in any form under the contract.**

In the event of the Security being found insufficient or if the security has been wholly forfeited, as the case may be the balance of the total sum recovered shall be deducted from any sum then due or which at any time thereafter may become due to the contractor under this or any other contract with the Corporation. Should that sum also be not sufficient to cover the full amount recoverable, the contractor shall pay to the Corporation on demand the remaining balance due whenever the security deposit falls short of the specific amount, the contractor shall make good the deficit so that the total amount of security deposit shall not at any time be less than the specific amount.

The decision of the Regional Manager, Central Warehousing Corporation, Regional Office, Mumbai as to the amount determined for deduction from the Security Deposit will be final and binding on the contractor.

- 8.3 Should a bidder, whose tender has been accepted, decline or fail to remit the security deposit and/or execute the agreement to take up the contract within fifteen days of the acceptance of the tender or within the extended time permitted by RM, whichever is later, the Earnest Money Deposit mentioned above shall be forfeited by CWC in full, without prejudice to any other rights or remedies in this regard for breach of contract.
- 8.4 In case the contract is extended for further period, as provided in clause 10 of the chapter-II, the validity of the Security Deposit instrument will be accordingly extended by the Contractor by an equivalent duration of time.
- 8.5 CWC shall be entitled to appropriate the whole or any part of the security deposit in the circumstances hereinafter provided without prejudice to any other remedy or right. CWC shall be entitled to recover any loss or damage that CWC may suffer or sustain by reason of the failure of the contractor to observe the terms and conditions of this contract or to pay any amount that may become due to CWC under or by reason of the terms and conditions, of this contract from the amount of security deposit, and in the event of any balance remaining due to CWC, the contractor shall forthwith pay the same. In the event of any such deduction being made from the security deposit, the contractor shall at once make good the deficiency in the amount of the security deposit

Signature of Tenderer with Seal

within fifteen days of the date of demand to this effect, failing which CWC shall deduct the same from the monthly bills or any amount due to the contractor.

- 8.6 The security deposit referred to above shall be forfeited by CWC in the event of any breach, on the part of the contractor, of any of the terms and conditions of this contract, leading to pre-mature termination of the contract, without prejudice to CWC's other rights and remedies available under law.
- 8.7 The security deposit will be proportionately increased in case of upward rate revision based on rate revision clause. However, the increase in security deposit will be effected only if the increase in rate is 5% or above.

9. REFUND OF SECURITY DEPOSIT

- 9.1 The security deposit shall, subject to any deductions that may be made therefrom, be returned to the contractor within (12) twelve calendar months after termination or discharge of the contract and on issuance of "No Dues Certificate" by the concerned Manager-ICD.
- 9.2 In the event of any dispute arising between CWC and Handling contractor or between CWC and any third party or in respect of any money due to CWC in reference to this contract or other contracts entered into by the Handling contractor singly or jointly with others and CWC, who shall detain the security deposit or such balance thereof and/or other amounts payable to the contractor as CWC may in its sole discretion deem fit until the dispute is settled and determined. The Handling & Transportation contractor shall have no claim for compensation or otherwise for any such detention made by CWC. No interests will however, be payable on security deposit amount so refunded.

10. PERIOD OF CONTRACT:

- a. The contract shall be awarded for a **period of 2 years from the date of commencement of the contract with a provision to extend the contract for another 2 years at the discretion of the Corporation.**
- b. No request for any change in rates will be entertained during the currency of the contract except as provided in Rate Revision clause in Chapter IV, Para 2.
- c. The date of start of physical work by the contractor shall be treated as the date of commencement of contract.

10A) SERVICE DURING POST CONTRACT PERIOD

It will be obligatory on the part of contractor to continue to work on the same rates, terms and conditions prevailing on the last date of the contract even beyond contract period or till alternate arrangements is made.

11. VOLUME OF WORK:

- i) No definite volume of work to be performed can be guaranteed during currency of contract.

Subject as hereinafter mentioned the Corporation does not guarantee any definite volume of work or any particular pattern of service at any particular pattern of service at any time or throughout the period of the contract. The mere mention at any item of work in this contract does not by itself confer a right on the contractor to demand that the work relating to all or any item thereof and the concerned warehouse should necessarily or exclusively be entrusted to them. The Corporation shall also have the exclusive right to appoint one or more contractor at any time at the time of award of the contract and / during the tenure of contract for any or all the services mentioned hereunder and to divide the work in between such contractor in any manner that the Corporation may decide and no claim shall lie against the Corporation by reasons of such division of work.

- ii) The volume of the traffic is likely to fluctuate (increase or decrease) and the tenderer should note that no claim for compensation arising directly or indirectly out of such fluctuation in the volume of traffic to be handled during the currency of the contract shall be entertained.
- iii) No assurance is also given about any item of work at any time during the currency of contract.
- iv) It be clearly understood that no guarantee is given that all items of work as shown in the schedule of operation shall be required to be performed by the contractor.
- v) The mere mention of any item of work in the contract does not by itself confirm right on the contractor to demand that the work relating to all or any item thereof should necessarily or exclusively be entrusted to them. The corporation will have the exclusive right to appoint one or more contractor or allow the clients to get their work done on their own for any or all the services mentioned hereunder or to divide the work in between such contractors in any manner that the Corporation decides and no claim shall be lodged against the Corporation by reason of such deviation of work. The decision of the Regional Manager in this regard shall be final and binding on the contractor and shall not be questioned into any court of law.
- vi) The description of services as given in the terms and conditions are only guidelines. The nature of work will be subject to variation/adjustment depending upon the actual requirement. Any variation, addition and/or omission in the terms of work to be actually carried out shall not form the basis of any dispute regarding the rate quoted by the tenderer in the tender and shall not give rise to any claim of compensation of any increase or decrease in the extent of the quantity offered.
- vii) The Contract, which may eventuate from this tender, shall be governed by the terms and conditions of contract as contained in the invitation/instructions to the tenderers and as

given in the annexure and appendices forming part of this tender and these documents will be sole repository of the terms and conditions of the contract.

viii) **PARALLEL CONTRACTORS:**

- a) The Corporation will also have the exclusive right to appoint one or more contractors or allow ICD user(s) to make their own arrangement for any or all the services mentioned hereunder/ any new facility warranted by him/them and to divide the work as between such contractors in any manner that the Corporation may decide initially or at any time during the currency of contract and no claim shall lie against the Corporation by reason of such division of work.
- b) No assurance is also given about any item of work at any time during the currency of the contract.
- c) It should clearly be understood that no guarantee is given that all the items of work as shown in the schedule of operations will be required to be performed by the contractor.

- b) Owned equipment can be deployed within 120 days of the issue of LOI. However, the tenderer should specify the interim arrangement clearly indicating the source along with a consent letter from the owners for the use of such equipment by the tenderer for the duration of 120 days in the requisite format (**Annexure XIV**).
- c) Rest of the equipment could be on hired/leased basis, for which, the tenderer should submit a consent letter from the owners for the use of such equipment by the tenderer(s) during the entire duration of the contract (contract period of 5 years).
- e) The tenderer must submit detailed deployment plan in the requisite format (**Annexure-XIII**) for the equipment asked for in the tender along with consent letter from owners of hired equipment.
- f) The contractor will have to replace the equipment, if rules /laws are changed by Government, in respect of vintage or axle payload of the equipment.

4. DEPLOYMENT OF EQUIPMENT & VEHICLE BY THE SUCCESSFUL BIDDER:

- 4.1. The successful bidder will be obliged to position the trailers at the terminal at least two days prior to the scheduled start of work.
- 4.2. The successful bidder to be appointed as contractor shall, before the commencement of the operations, get all the vehicles (both encumbered and non-encumbered) inspected by the CWC, official. **In case owned equipment is permitted to be deployed within 120 days of the issue of LOI, they should be offered for inspection prior to its induction** All the deployed vehicles must conform to the age, make/model, year of manufacture, handling capacity, carrying capacity, GVW, ownership criteria, etc. wherever applicable / prescribed in terms of para 3 above. The contractor will be required to produce original supporting documents like Registration papers, invoices, valid Insurance, Fitness certificates, etc. at the time of inspection at the terminal. A vehicle once deployed, should not ordinarily be changed. However, it may be changed on the written request of the contractor only with the approval of the Manager ICD. However, the new deployed vehicles have to conform to the stipulated criteria listed in **Annexure-XII**.
- 4.3. In case of failure to deploy owned/hired vehicles by the contractor on the stipulated date, damages for non-deployment will be levied/charged thereof till the equipments are provided by the contractor. The damages to be levied are as under:
For road vehicles - @ Rs.1200/- per vehicle per day or part thereof.
- 4.4. In case of short/non deployment of required number of vehicles at any time during the pendency of the contract, or if they are found not in conformity with the required age and any other condition, similar damages (as mentioned at sr. no. 4.3. above) may be levied for vehicle. However, in case of vehicles the above damages will be levied only on encumbered vehicles. In case of non-encumbered vehicles no damages are to be levied.
- 4.5. Additional trailers [50% of the original number, rounded off to the next higher whole number] may be asked for on permanent basis from the contractor on (7) seven days written notice. The exact number of trailers required to be increased as per aforesaid provision will be determined by the Regional Manager, based on the traffic volume. In case of failure to deploy additional vehicles asked for by the stipulated date, damages as specified in para 4.3 above will be levied.
- 4.6. Notwithstanding above, in case of reduction in business, REGIONAL MANAGER can also reduce the number of trailers. The reduction /withdrawal of the vehicles shall be allowed on undertaking that the same will be restored within the notice period prescribed in para 4.5 above. In case the contractor fails to restore the number of vehicles, or provides vehicles which do not comply with the criteria of the ownership / year of manufacture/etc, damages as prescribed in para 4.3 above would be applicable.
- 4.7. The decision of the Regional Manager, CWC, Mumbai will be final and binding in the matter of deciding the type and capacity of vehicles required.

Signature of Tenderer with Seal

- 4.8 All handling equipment should be in good fettle. In case of leased equipment, the tenderer must provide the source and undertaking from the owner for giving his right to use them to the tenderer during the entire contract period. This undertaking would be necessary.
- 4.9 The HTC shall, before the commencement of operations get all equipment inspected by CWC officials. In case, any of them is not found to be of adequate standard / performance before commencement or later at any time during the currency of contract, the HTC shall replace the same to the satisfaction of CWC. Equipment provided under the contract shall not be taken out of the ICD without approval of CWC officials.
- 4.10 Similarly, the HTC shall not reduce the equipment below the minimum level. In case, any equipment is required to be taken out of ICD-WALUJ for any reason (repairs, RTO verification, etc), approval of CWC officials will be taken in writing. Any approval so given will be without prejudice to the right of CWC to treat the shortage as downtime.
- 4.11 Equipment utilizing internal combustion engine shall not emit undue /excessive smoke and all of them shall conform to extant pollution control standards under the environment rules and regulations. Vehicles which shall become redundant due to these rules have to be replaced by HTC. The HTC shall ensure that there are no oil spills in ICD premises. In the event of oil-spills he shall ensure cleaning at his own cost. All mobile equipment should be with rubber tyres only. PUC certificate for all cranes and equipments to be obtained prior to commencement of contract. Any equipment (reach stacker / forklift) working on / near hazardous cargo should be equipped with suitable safety devices (spark arrestors, etc).
- 4.12 The HTC shall also ensure provision of suitable number of hand carts, ramps for movement of forklift into/from containers, sand/husk bags for ladder support for unloading from wagons, chains, wire ropes, etc., at his own cost and will also ensure that these are stacked/kept properly & neatly after the operations.
- 4.13 The HTC shall make his own arrangements for repair / maintenance and fueling of all equipment deployed by him. A limited specified area within or near the ICD premises may be provided by CWC upon specific request by the HTC for such specified repairs / maintenance. Electrical and water connections will be provided by CWC at the prevailing rates. No other area in the ICD premises shall be used for repair / maintenance of equipment for parking of 'under repair' equipment.
- 4.14 Similarly, the HTC shall make his own arrangements regarding their office work, documentation, etc. for which a limited office space will be provided to him. The HTC will also be permitted to set up porta cabin yard offices (20 feet container cabins) at 1 or 2 locations in the yard or at gate for their manning management. For this purpose, HTC will duly obtain location approval from CWC officials. Electrical connections will be provided by CWC at the prevailing rates. No space will be provided in the warehouse, except what may be deemed necessary by CWC officials for data entry / recording operations.
- 4.15 No compensation shall be admissible to the HTC in respect of the non-use or detention of any equipment at any point of time during the period of the contract.
- 4.16 The HTC shall comprehensively insure all the handling equipment / machinery against any damage or loss arising during the performance of the work. CWC will not be responsible for any loss or damage to the equipment / machinery of HTC.

5. CONTRACTOR'S OBLIGATIONS WITH REGARD TO :

ROAD TRANSPORT SERVICES:

The H&T Contractor engaged to transport containers through road vehicles will observe and abide by all the statutory laws and rules, including safety norms, made by Central / State Governments in regard to transportation of cargo / container by road. - ii. In case of export loaded containers, job order (complete or part as the case may be) will be treated as non-complied if contractor fails to move out the containers from ICD-WALUJ (as per ICD-WALUJ system entry) to Port Terminals within 48 hrs. of issuance of Job Order. In case of failure, the H&TC shall be liable to (a) pay damages @Rs.100/-per TEU per day or part thereof to CWC, (b) compensate CWC, for any claims as may arise due to late delivery of these containers at final destination; and (c) CWC, will have the discretion to get the un-complied Job Orders executed by any other suitable agency at the risk & cost of the contractor if business so warrants, as per discretion of Manager ICD.
- iii. HTC shall be required to produce proof of delivery in the form of EIR/POD issued from the respective Port Terminal Authorities within 48hrs of ICD-WALUJ Gate Out of such loaded containers.
- iv. In case of ODC/Reefer exports, the contractor will have to comply the job orders using low bed trailers/Gen-set Vehicles wherever required. As per general trend, the contractor will have to treat these sensitive movements as a special case and should comply with the movement norms followed by the port terminals.
- v. In case the contractor fails to comply with the requirement specified under part (iii) & (iv) above in more than 20% (in terms of number of containers) of the cases, it may attract damages @Rs.250/- per TEU per day or part thereof on non-complied cases i.e. number of TEU.
- vi. Before moving the export loaded container, the H&TC is expected to acquaint himself with the vessel particulars for the respective container and the vessel gate cut off and also keep him updated regarding any preponement /postponement of gate cut off. In case of shut out resulting in return of container from Port gate, the H&TC shall not be entitled to get any re- movement charges on return of containers to ICD-WALUJ except in the rare case when the preponement takes place after the container had already been moved out from ICD-WALUJ. In such an instance, the H&TC will be paid charges for return movement of containers from Port to ICD-WALUJ. Such instances are expected to be rare and will be dealt with on case to case basis on submission of documentary evidences acceptable to CWC, ICD-WALUJ.
- vii. The contractor shall provide transport facilities to the customs officials, wherever it becomes necessary to move the container under Customs escort. For providing transport facilities for the Customs escort, no extra remuneration is payable to the contractor.

B. MOVEMENT OF IMPORT LOADED CONTAINERS BETWEEN PORT & ICD-WALUJ:

- i. For loaded import containers to be moved from JN Port area to ICD-WALUJ, the H&TC must arrange deployment of suitable &adequate number of vehicles so as to pick-up & deliver the containers at ICD-WALUJ within free period of port irrespective of any detention due to offloading /loading delays or traffic congestion en-route.

[Signature of Tenderer with Seal

- ii. In case of failure, the HTC shall be liable to (a) pay damages @Rs.100/-per TEU per day or part thereof to CWC, (b) compensate CWC, for any claims as may arise due to late delivery of these containers at final destination; (c) pay any port ground rent accrued due to such delay beyond free period and (d) CWC, will have the discretion to get the un-complied Job Orders executed by any other suitable agency at the risk & cost of the contractor if business so warrants, as per discretion of Manager ICD.
- iii. In case of import containers selected for scanning at fixed scanner located outside port terminal (presently at CWC Distripark), one more day shall be counted with port free period.
- iv. HTC shall be required to produce the copy of EIR (Equipment Interchange Receipt) at the time of entry of respective at ICD-WALUJ.
- v. The contractor shall provide transport facilities to the customs officials, wherever it becomes necessary to move the container under Customs escort. For providing transport facilities for the Customs escort, no extra remuneration is payable to the contractor.

C. OTHER MOVEMENTS:

- (i.) All other containers (both loaded and empty which are not covered under above paras) and where the HTC is required to move the containers from/to ICD-WALUJ to/from other locations/units/CYs/ICDs/Empty Yards/factories etc. or vice-a-versa, the contractor will have to arrange to pickup & deliver the container within time frames **as prescribed by the Manager-ICD-Waluj** & will be liable to (a) pay container damages to CWC @ Rs.100/- per TEU per day or part thereof, for the period beyond free period; (b) bear any ground rent liability; (c) compensate CWC for such claims as may arise due to late pick up of these containers from ICD-WALUJ; and (d) CWC will have the discretion to get the un-complied Job Orders executed by any other suitable agency at the risk & cost of the contractor if business so warrants, as per discretion of Manager ICD.
- (ii.) In case of outward movement of containers from ICD-WALUJ, the HTC shall be required to produce proof of delivery in the form of EIR/POD issued from the respective Destination Terminal Authorities within 48hrs of ICD-WALUJ Gate Out of respective containers. In case the contractors fail to comply with this requirement of EIR/POD submission in more than 20% (in terms of number of containers) of the cases, it may attract damages @Rs.250/- per TEU per day or part thereof on non-complied cases i.e. number of containers.
- (iii.) **The contractor engaged to transport containers through road vehicles will observe and abide by all the statutory laws and rules, including safety norms, made by Central / State Governments in regard to transportation of container by road.**

A. Expeditious Handling of Cargo arriving by road vehicles for carting / delivery

- i. The cargo received on road vehicles on a working day of ICD-WALUJ, if received before 1800 hrs, will have to be unloaded the same day and if received after 1800 hours, by 1400 hrs of the next working day. The time of receiving will be reckoned as the time of issue of the carting permission / Job Order to the HTC or arrival of trucks of the Party loaded with export cargo, whichever is later, while the time of unloading will be reckoned as the time of data input of cargo tally. Similarly, for the loading of import cargo on to the trucks provided by the importer or his agent, if the JO, subject to provision of trucks, is issued before 1800 hrs, the HTC will ensure completion of the activity the same day and if it is after 1800 hrs, the HTC shall ensure completion of the activity by 1400 hrs of the next working day. The completion time will be reckoned as the time of data input of loading tally. The aforesaid cut off time may be changed by the Terminal I/c if the pattern of traffic so requires.
- ii. Any delay shall invite a penalty of Rs 200/- per Job Order on the first day and Rs 500/- per Job Order per day for subsequent days. Further, any claim for detention charges for the trucks detained due to delay on part of the HTC to comply with the Job Orders specified in the above paragraph will be debited to the HTC's account. Repeated failure on this account will be treated as instances of unsatisfactory performance.

Note: The above parameters shall be applicable only in case of full lot carting in exports side and full lot de-stuffed delivery in imports side. However, for part lots in both the areas comprising imports and exports, the performance shall be monitored manually and in case of major non-performance, penalty upto Rs.1,000/- per incidence per day may be imposed at the discretion of ICD Manager/in-charge on case to case basis.

B. Expeditious handling of cargo for stuffing / destuffing

- i. The HTC will organize the de-stuffing of all Import LCL containers within one working day of issuance of de-stuffing Job Order of the container excluding the date of Job order. Further, the HTC will organize delivery of FCL ICD de-stuffed cargo within 8 working hrs of issue of JO. Non adherence to these time limits will result in levy of penalty of Rs 200/- per TEU per day or part thereof upto JO of 10 TEUs. In case JO consists of more than 10 TEU, the penalty of Rs 200/- per TEU per day or part thereof will be applicable after period of 12 hours. However, CWC may stipulate certain conditions / restrictions regarding de-stuffing of such containers, say for containers with hazardous cargo, heavy machinery, scrap, etc or due to specific request by the party. Repeated failures on this account will be treated as instances of unsatisfactory performance.
- ii. Likewise for all stuffing JOs, for all JOs received before 1700 hrs, the HTC will organize stuffing of cargo into containers at the ICD the same day and for JOs received after 1700 hrs, by 1500 hours the next working day failing which a penalty of Rs. 200/- per day per container will be recovered from the HTC. Repeated failures on this account will be treated as instances of unsatisfactory performance. Further, the aforesaid cut off time may be changed by the Terminal I/c if the pattern of traffic so requires.
- iii. All other miscellaneous JOs like shifting of cargo, reworking of container, etc should be complied within one working day of JO excluding the date of JO and any failures on this account will be treated as instances of unsatisfactory performance.

Note: The above parameters shall be applicable only in case of full lot carting in exports side and full lot de-stuffed delivery in imports side. However, for part lots in both the areas comprising imports and exports, the performance shall be monitored manually and in case of major non-

Signature of Tenderer with Seal

performance, penalty upto Rs.1,000/- per incidence per day may be imposed at the discretion of terminal manager/in-charge on case to case basis.

MAINTENANCE & DOWNTIME OF EQUIPMENT:

(i)Up time:

For individual equipment availability (up time) of 100% excluding maintenance downtime and fueling time on a monthly basis must be maintained. The machine/equipment will be treated as down if there is a continuous break-down of more than one hour. However, at no point of time should the equipment be down for more than three hours at a stretch. In that case the contractor shall endeavor to make alternate arrangements within twelve hours at his own cost. Failure to comply with these stipulations will be considered as a serious case of unsatisfactory performance and may be dealt with as per the provisions of Chapter III Clause 6: Consequences of Non- Performance, at the discretion of ICD- Manager

(ii) Down time for Equipment:

Forklift:

(a)A total of 90 hours per month shall be allowed towards cooling.

(b)A total of forty eight hours per month shall be allowed towards exigency break- down, fueling and staff change, etc.

(c)In addition, maintenance down time shall be allowed as eight hours per week.

(iii)Down time for Reach Stackers & Empty Handlers/HYDRA:

(a) Up to three hours of cooling for every 24 hours of continuous working of equipment shall be allowed.

(b) A total of thirty hours (in single stretch not more than 6 hours) per month shall be allowed towards exigency breakdown, fuelling and staff change, etc. combined.

(c) Preventive maintenance time shall be eight hours per week, in one or two spells. No cooling shall be allowed on the day of preventive maintenance.

(d)For actual down time up to 48 hours per month, beyond the allowed down time including maintenance as above in para, liquidated damages shall be recovered @ 1.25 times the hourly hiring rate payable as per market rate. In case the actual break-down is more than 48 hours, beyond the allowed down time, liquidated damages @ 1.50 times the hourly hiring market rate payable, shall be recovered.

All arrangements for operations and maintenance inclusive of fuel and lubricants, operators, other requisite personnel, maintenance and repairs etc. of vehicle/equipment/reach stacker shall be made by Contractor at his own cost.

6. CONSEQUENCES OF NON-PERFORMANCE:

- 6.1 Damages may be recovered from the contractor for repeated non-performance in addition to the damages prescribed in the respective paras above upto Rs.5,000/- per day, by Regional Manager.
- 6.2 However, additional damages for unsatisfactory working will be imposed only after serving a Show Cause Notice, whereas damages under other clauses can be imposed by giving intimation to the Contractor.
- 6.3 All the damages will be imposed by the Manager ICD and the same will be deducted from the monthly bill of the contractor. CWC may also deduct the damages from the Security Deposit, incase monthly bills are short of damages amount. In such a case, the contractor shall have to make good the Security Deposit within a period of three days of the intimation to him.

Signature of Tenderer with Seal

6.4 The ICD Manager/In-charge has powers to levy penalty on the contractor as per various clauses of the tender document. However, the contractor can appeal to the higher authority within 30 days of levy of penalty. Regional Manager will be the authority for waiver of penalties imposed on the contractor under this contract.

7. SPECIFIC RESPONSIBILITIES:

7.1 FOR ROAD TRANSPORTATION OF CONTAINERS

- (i) The HTC shall exercise due care and take all precautions while handling and/or moving containers to avoid any damage or loss to the container or cargo at any stage. HTC shall be responsible for the safety of containers and cargo while they are in his custody. CWC shall be at liberty to take action under Non-Performance/Unsatisfactory Performance and forfeit the Security Deposit, if he fails in his responsibilities in looking after the containers and cargo in his custody.
- (ii) The HTC shall arrange for close supervision of unloading / loading/shifting/stacking etc. of containers, in the ICD and should give a Tally Sheet for each container after completion of work. Any loss / damage / variation in the container with the Tally Sheet will be HTC's responsibility and he shall be liable for the consequent losses. Any excess /short landing should be reported immediately.
- (i) The contractor shall ensure proper closure of doors of the containers at the time of loading / shifting. Failure to do so may be treated as unsatisfactory performance. The container shall be secured to the road vehicle by all four bottom corner fittings.
- (ii) Every ODC consignment must have a proper lashing/choking/bracing. The contractor shall ensure that no container is accepted for Road Transportation if it has improper lashing/choking/bracing. In case of Open Top containers, contractor shall ensure that no container is accepted without waterproof tarpaulins to save the cargo from pilferage and adverse weather conditions.
- (iii) In case of an accident in transit, or for any other reason, if a container needs to be transhipped on to another vehicle/chassis en-route, the transshipment shall be carried-out by the contractor at his risk and cost. The contractor shall also be liable to pay the compensation/claims arising out of any damage to container and cargo, including the claims in respect of short deliveries, if any, occurring due to such mishaps. The contractor shall also be liable for any third party claims and damages including the Customs duties / damages for short deliveries, if any, occurring due to such mishaps. CWC reserves the right to deduct such amounts from any amount payable to the contractor. The contractor is advised to take appropriate insurance coverage against these unforeseen events.
- (iv) CWC shall have the right to change en-route and increase or decrease the total mileage from time to time. This will not confer any right on the contractor to claim any extra amount as a result of such temporary change i.e. for upto 15 days.
- (v) In the case of long lead Road Transportation, events like imposition of restrictions on movement by State Government authorities on a particular en-route or in certain timings or diversion of en-route on temporary basis due to civil works, law and order, festivals, etc. shall not form the basis for higher rates. The traffic has to be carried by the diverted en-route or in the permissible timings at the rates quoted in this tender.
- (vi) However for permanent restriction (of more than 15 days) resulting in long haulage, the rates can be revised with mutual discussion.
- (vii) The contractor shall not carry out any direct business dealing with any customer of CWC without prior approval of CWC. The contractor shall not receive, transport any container / cargo within the ICD for any customer of CWC, directly, without prior approval of CWC, in writing.
- (viii) The contractor shall not receive and transport any container whose original seals have been tampered with or whose contents appear to have been damaged and / or pilfered and will always

Signature of Tenderer with Seal

act only on the instructions of the Manager ICD. The contractor shall also be responsible for bringing the containers duly stuffed or loaded outside ICD/Ports with seals intact and hand them over at the appropriate place in the same condition.

- (ix) The contractor shall exchange the Equipment Interchange Report (EIR) every time the handing over or taking over of a container takes place. He shall be responsible for examining and verifying correctness of the details given in the EIR.
- (x) CWC transports 'EXIM' containers in bonded state. It is responsible to the Customs for the safety of 'EXIM' cargo during transit and has to furnish a "Continuity Bond" of an appropriate amount to the Customs. The contractor will be required to sign this bond as a guarantor. The contractor will be liable for the element of Customs duty also for any loss or damage to the cargo while the container is in his custody.
- (xi) The contractor shall make his own arrangements for repair / maintenance of all vehicles deployed by him. A rent-free limited specified area within or near the ICD premises may be provided by CWC upon specific request by the contractor for such specified repairs / maintenance. Office space may be provided by CWC, if available, at the rates prevailing at the ICD. No other area in the ICD premises shall be used for repair /maintenance of equipment /vehicles. Water and electric charges would be borne by the Contractor.
- (xii) In case the contractor fails to promptly substitute vehicles in good working and presentable condition and in case alternative arrangements are made by CWC for Road Transportation of containers, it will be on the contractor's sole risk and cost, till suitable replacement is provided by the contractor or the cycle of activity as initiated under alternative arrangements gets completed, whichever is later.
- (xiii) The decision of CWC as to the extent of expenditure incurred and/or loss sustained by CWC in this regard shall be final and binding on the contractor. CWC shall have the right to recover such expenditure and loss as sustained by it from the security deposit or pending bills of the contractor.
- (xiv) The HTC will also maintain various records in computerized atmosphere and will provide reports to CWC in both soft and hard copy format as and when required. He will also apply latest software applications for warehouse management, Job order performance, container handling, equipment / vehicle productivity assessment, etc. Some of the reports expected from the HTC would be:-
- a) Daily shift-wise equipment / vehicle availability report with details of downtime, if any, during the previous day.
 - b) Daily Job order compliance sheet to be submitted to CWC by the HTC at regular intervals specified by CWC from time to time.
 - c) Daily performance under various activity heads with backlog, if any.
 - d) Daily inventory position of containers.
- The above list is only illustrative. The ICD I/c may stipulate additional reports which the HTC will be required to submit in the desired format. Failure to do so will be deemed as unsatisfactory performance and action taken accordingly.
- (xv) The HTC shall consult the ICD I/c and ensure that the loaded and empty container stacking is done as the container stacking plan approved by the ICD I/c. It may be noted that in order to optimize area usage, containers may be required to be stacked upto 4 high. It may be noted that in order to optimize area usage, multiple stacking of the containers as per best industry practices will have to be done. In case of any discrepancy, CWC officials may direct shifting / restacking of containers for which no additional payment will be made.
- (xvi) There may be temporary surges in traffic, say on receipt of project cargo, shifting of containers to / from port by road / train at the time of congestion, etc. The HTC will be required to meet these temporary requirements within the time schedules and accepted rates for the concerned activity

Signature of Tenderer with Seal

and if necessary, induct additional equipment / vehicles for this purpose. The induction of additional reach stackers for 'in ICD' shifting will however be with the prior approval of CWC.

- (xvii) The HTC shall abide by all the rules, procedures, directions and instructions given by CWC officials, which are not inconsistent with the terms and conditions of the contract, for the efficient working of the ICD.
- (xviii) The HTC shall not carry out any direct business dealing with any customer of CWC without prior approval of CWC. HTC shall not receive, handle and transport any container / cargo within the ICD for any customer of CWC directly.
- (xix) The actual requirement of equipment and vehicles will depend upon the pattern and volume of traffic and may vary from time to time. The HTC will be required to position additional handling equipment and vehicles, whenever necessary due to exigencies of traffic upon being notified to do so by CWC.
- (xx) The HTC shall not receive or dispatch any container whose original seals have been tampered with or whose contents appear to have been damaged and / or pilfered and will always act only on the instructions of the Manager-ICD. The HTC shall also be responsible for bringing the containers/CBTs/CMTs duly stuffed or loaded outside ICD with seals intact and hand them over at the appropriate place in the same condition.
- (xxi) ICD-WALUJ has a Local Area Network (LAN) for transfer and updation of data for maintaining and monitoring of status of job orders on a real time basis. The HTC will be required to ensure data entry operation immediately on real time basis for each activity and should deploy suitable staff for this purpose.
- (xxii) The contract shall be liable for all acts of commission or omission of his employees. He shall forthwith discharge any of his employee who is reported by CWC to be undisciplined or of poor moral character or incompetent or negligent.

7.2 SPECIFIC RESPONSIBILITIES FOR CARGO HANDLING:

- (i.) The HTC shall exercise due care and take all precautions while handling and/or moving cargo to avoid any damage or loss to the container or cargo at any stage. HTC shall be responsible for the safety of containers and cargo while they are in his custody. CWC shall be at liberty to take action under Non-Performance/Unsatisfactory Performance and forfeit the Security Deposit, if he fails in his responsibilities in looking after the containers and cargo in his custody.
- (ii.) The HTC shall arrange for close supervision of unloading / loading of cargo, stuffing/de-stuffing of containers and stacking of cargo in the ICD / warehouse and should give a Tally Sheet for each container / truck after completion of work. Any loss / damage / variation in the cargo with the Tally Sheet will be HTC's responsibility and he shall be liable for the consequent losses. Any excess / short landing should be reported immediately.
- (iii.) The HTC shall provide necessary modern equipment for communication of voice and data, as prescribed by CWC from time to time, to his supervisors and employees for ensuring efficiency of operations.
- (iv.) The HTC will also maintain various records in computerised atmosphere and will provide reports to CWC in both soft and hard copy format as and when required. He will also apply latest software applications for warehouse management, Job order performance, for cargo handling, labor / equipment productivity assessment, etc. Some of the reports expected from the HTC would be:-

Signature of Tenderer with Seal

- a. Daily equipment availability report with details of downtime, if any, during the previous day.
- b. Daily performance under various activity heads with backlog, if any.
- c. Daily cargo inventory position of both warehouse and open yard.
- d. Daily Warehouse occupation report.
- e. Daily labor availability report.

The above list is only illustrative. The ICD I/c may stipulate additional reports which the HTC will be required to submit in the desired format. Failure to do so will be deemed as unsatisfactory performance and action taken accordingly.

- (v.) The HTC shall consult the ICD I/c and ensure that cargo stacking is done as per stacking plan approved by the ICD I/c. All carting into the warehouse will have to be done as per the approved plan and instructions of CWC officials. It may be noted that in order to optimize area usage, multiple stacking of the cargo as per best industry practices will have to be done. In case of any discrepancy, CWC officials may direct shifting / restacking of cargo / containers for which no additional payment will be made.
- (vi.) There may be temporary surges in traffic, say on receipt of project cargo etc. The HTC will be required to meet these temporary requirements within the time schedules and accepted rates for the concerned activity and if necessary, induct additional equipment for this purpose. The induction of additional equipments for 'in ICD' shifting will however be with the prior approval of CWC.
- (vii.) The HTC shall abide by all the rules, procedures, directions and instructions given by CWC officials, which are not inconsistent with the terms and conditions of the contract, for the efficient working of the terminal.
- (viii.) The HTC shall not carry out any direct business dealing with any customer of CWC without prior approval of CWC. HTC shall not receive, handle, any container / cargo within the ICD for any customer of CWC directly.
- (ix.) The actual requirement of equipment for cargo shifting will depend upon the pattern and volume of traffic and may vary from time to time. The HTC will be required to position additional handling equipment, whenever necessary due to exigencies of traffic upon being notified to do so by CWC.
- (x.) The HTC shall not receive or dispatch any cargo which has been tampered with or whose contents appear to have been damaged and / or pilfered and will always act only on the instructions of the ICD Manager.
- (xi.) The contract shall be liable for all acts of commission or omission of his employees. He shall forthwith discharge any of his employee who is reported by CWC to be undisciplined or of poor moral character or incompetent or negligent.

2. RATE REVISION CLAUSE

2.1 The contracted rates shall remain operative throughout the contract period except for variation in diesel (HSD) prices which CWC on contractor's request will increase at six monthly frequency @ 0.3% for every 1% increase or decrease in base HSD (diesel) price due to any government notification etc. duly supported by documentary evidence. However, in case of decrease in base HSD (diesel) price, CWC, will be free to revise (decrease) the rates on its own as per the guidelines, which again will be at six months interval only.

2.2 First rate revision would be done only after (6) six months of commencement of contract, w.e.f. 1st of the month following completion of (6) six months of commencement of contract. Subsequent rate revisions would be after six months Interval, thereafter. For instance, if a contract commences for a period of five (5) years on, say 16th April 2011 there will be nine rate revisions due during (5) five years period. 1st rate revision would be due w.e.f. 1st Nov,2011, 2nd w.e.f. 1st May 2012 and 3rd w.e.f. 1st Nov, 2012 and so on.

The rate revision would be regulated by the following formula:

For 1st rate revision

% increase in contract rates = $(P1 - PB) / PB \times 100 \times 30/100$ where

P1 = HSD price on 1st of the month following completion of initial five months of contract (as applicable in city of contract); and

PB = Base HSD price on the last date of submission of tender (in the city of contract). For subsequent six monthly rate revisions

% increase in contract rates = $(PN - PN-1) / PN-1 \times 100 \times 30/100$ where

PN = HSD price on 1st day of the previous month of the due date of nth escalation (as applicable in city of contract); and PN-1 = HSD price on 1st day of the previous month of (n-1) the escalation (as applicable in the city of contract).

3. **CHANGE IN BUSINESS PATTERN:** In case of drop in volumes or insufficient work contractor will not be entitled for any compensation from CWC on this account.

4. TERMINATION OF THE CONTRACT

(b) The Regional Manager, CWC, RO, Mumbai shall also have, without prejudice to other rights and remedies, the right in the event of breach by the contractor of any of the terms and conditions of

Signature of Tenderer with Seal

the contract to terminate the contract forthwith and to get the work done for the unexpired period of the contract at the risk and cost of the contractor and/or forfeit the security deposit or any other part thereof for the sums due to any damages losses, charges, expenses or costs that may be suffered or incurred by the Corporation due to the contractor's negligence or un-workman like performance of any of the services under the contract.

- (c) CWC at its sole discretion may terminate the contract by issuing one month notice without assigning any reasons. No claim shall lie against CWC for such termination.
- (d) In the event of security or sum due under the contract being insufficient to cover the claim amount or amounts the Regional Manager shall be entitled to withhold and has a lien to retain to the extent of such amount or amounts referred to above from any sum or sums found payable or what at any time thereafter may become payable to the contractor under the same contract or any other contract with the Corporation pending finalization of adjudication of any such claims.

5. DEBARRING OF BUSINESS DEALINGS

- 5.1 In the event of premature termination of contract on the ground of breaches as mentioned above, CWC, shall also be entitled to debar the contractor for participation in future tenders of CWC, for a period as deemed fit ranging from one (01) to three (03) years.
- 5.2 Further, in case if it comes to the notice of CWC that the bidder/contractor has used forged documents or misrepresented the facts in any manner either to get the contract or during the currency of the contract, in all such cases CWC, at its sole discretion may terminate the contract and debar such contractor for a period ranging from 1 to 3 years, as deemed fit. In all such cases, the provisions of clause 4, a, b & c above (Summary Termination) will become applicable.

6. PROHIBITION AGAINST TAKING WORK FROM CWC/ GOVERNMENT SERVANTS

No person, who has retired within two years as a Gazetted Officer in Executive or Administrative duties in any Government Service or CWC shall be a contractor of CWC. The contractor shall under no circumstances employ any such person in the employment of CWC for the purpose of carrying out this contract without express permission in writing from CWC. The contract is liable for cancellation if the contractor himself or any of his employees is found to be a person to whom this applies and who had not obtained necessary permission of CWC. Ex-servicemen may, however, be deployed.

7. CONTRACTOR'S RESPONSIBILITIES & DUTIES

- 7.1 The tenderers are advised to acquaint themselves with the exact location, road approaches, conditions, the facilities at ICD-WALUJ, (where they want to work), the Customs procedures and with the industrial areas in and around ICD-WALUJ. They are also advised to familiarize themselves with the procedures and method of working of the CFSs/ICDs', Rail heads and ports. CWC shall be at liberty to recover such amount or part thereof by deducting it from Security Deposit and / or by invocation of bank guarantee from any sum due by CWC, to the contractor whether under the particular contract or otherwise, CWC shall not be bound to contest any claim made against it under any sections of any of the Acts, except on the written request of the contractor and upon his giving to CWC security for all costs for which CWC might become liable in contesting such claim. The decision of CWC regarding the amount actually recoverable from the contractor as stated above shall be final and binding on him.
- 7.14 If CWC, at any time considers the mode adopted by the contractor of paying his workmen objectionable, it shall have the power of requiring a change of system within one week from the date of notice in writing to the effect, and in case of non-compliance with such notice, all payment to the contractor may be withheld during such non-compliance.
- 7.15 The contractor shall strictly abide by all rules and regulations of RTO/Police/Municipal/Customs/Port authorities/ CIDCO authorities.
- 7.16 The supervision by an officer of the Corporation at the Port and ICD-Waluj and en-route if any is at the discretion of the Corporation. It will in no way minimize the responsibilities of the contractor who will be bound under obligation to deliver all the containers at the designated destinations as per the job orders with original seal intact and the container/cargo in sound condition, failing which it would be obligatory on his part to make good all the losses whatsoever. The contractor shall provide only appropriate and suitable road vehicles for transportation of containers as per the direction of the Manager, CWC, ICD-Waluj.
- 7.17 The successful tenderer shall be required to sign as surety for CWC on the continuity bond of appropriate value as desired by Customs, to be executed with them for safe transshipment of containers.
- 7.18 The contractor shall, as and when required, be also responsible for routine cleaning of the interior of any type of container prior to stuffing to the satisfaction of the officer(s) supervising the stuffing/dispatches. The remuneration for stuffing in to container shall be deemed to include the remuneration for such routine cleaning of containers to the extent, found necessary.
- 7.19 The contractor shall maintain an up to date garage for backup services to the equipments and the breakdown cases should be taken care of / repair within most reasonable time.
- 7.20 In the event of failure of the contractor to undertake the work after award of contract or rescinding from the contract during its currency the Corporation shall have the right to get the work done at his risk and cost and the contractor shall be liable to make good the loss, if any, suffered by the Corporation on this account. The Corporation shall also have the right to deduct the amount of such loss from any sum (including Earnest Money and Security Deposit) then due or which at any time thereafter may become due to the contractor under this contract or any other contract with the Corporation and to claim the balance amount from the contractor.

- (xi) This is to be noted that the payment for ISO containers of more than 20ft., in length will be regulated as 40ft., container only, irrespective of the size being 30', 35', 40' & 45' etc., and payment of such containers above 20' will be regulated accordingly. However the height of the container shall not be taken/given cognizance of as far as the rates are concerned. The rates of over dimensional/oversized cargo/flat rake/open top containers shall also be the same.
- (xii) The HTC shall be liable to provide technical worthiness certificate for all the equipment certified by Chartered Engineer plying in the ICD, as and when required by the Regional Manager, CWC and /or Customs Authorities for which the cost will be solely borne by the H&T.
- (xiii) The CWC, ICD-Waluj is to operate 7 days a week and 3 shifts of Eight hours each day and the contractor shall be bound to undertake the jobs on all days of week and in all shifts of a day.
- (xiv) The contractor shall also reimburse the cost of electricity on actual basis consumed by them in connection with the carrying out the operations by using machines/ equipment etc., electrically operated.

8. EMPLOYEES PROVIDENT FUND & ESI

- 8.1 It will be the responsibility of the respective contractors to obtain separate code (identification number) for deposit of PF and ESI dues, with the concerned authorities directly, prior to commencement of work.
- 8.2 The onus of deposit of PF/ESI dues shall be on the contractor. Payment against contractor's bills will be released only when copies of relevant challans, PF Registration / Code Number along with photocopies of attendance and payment registers are provided for the previous month (i.e. one month prior to the period for which the bill pertains).
- 8.3 It shall be mandatory for the contractor to obtain ESI (if applicable for area) and PF registration, and to obtain (or at least apply for) labour licence before the commencement of the work. (To enable the Contractor to apply for labour licence, necessary certificate of award of work shall be given by CWC)

9. LICENCE/PERMISSION/REGISTRATION

Wherever any Licence/Permission from or Registration with Local or State or Central Authorities is required under the above Acts/Law or any other Laws Governing the work contracted for, the contractor shall at his own cost arrange for such License/Permission/Registration. Contractor shall also be liable for producing for inspection such certificates and licenses as may be required by the Local/State/Central Authorities or CWC as and when required. The contractor shall pay all levies, fees, taxes and charges etc. to appropriate authorities and other bodies as required by them under their rules for, vehicles / trailers, employees or workers engaged by him. These charges shall be borne by the contractor. However, if any new tax is levied, subsequent to the signing of the contract, reimbursement of the same may be considered by the Competent Authority on the basis of written proof regarding imposition of new tax.

Every tenderer, whose tender is accepted by the Corporation, shall immediately apply for license to the prescribed licensing authority in terms of the Contract Labour (R&A) Rules 1971, before entering upon any work under the contract. The contractor shall also obtain temporary license, whenever required, under rule 32 of the relevant Rules, in case where he intends to employ more labour in number than that mentioned in the regular license for short duration, not exceeding 15 days. The contractor shall also make an application through the Principal Employer for renewal of the regular license at least two months before expiry of the regular license. The contractor shall also get the temporary license renewed, whenever necessary. 10. INSURANCE:

It is advisable for contractor to take a suitable insurance policy for handling & Transportation of ISO Containers/cargo, and also for allied activities/risks, if any. This is in the interest of the contractor to cover himself from risks involved in Handling and & Transportation of ISO Containers/Cargo. Since this is a policy which protects the contractor, it is advisable that he takes such a policy for a value as he deems fit & which is commensurate to the value of cargo he handles/transport. It may be noted that this is not a mandatory requirement of CWC for fulfillment of this contract. CWC, however, will be recovering the value of any damage that has arisen while the cargo/containers were in the custody of the contractor from contractor's bills/Security Deposit/BG etc., irrespective of whether insurance policy has been taken by contractor or not.

11. JOINT SURVEY:

Situations may arise during the course of handling & Transportation of ISO Containers when a container containing cargo meets with an accident. The contractor may avail the services of a Surveyor on his own, at his own cost, if he so desires, to carry out a Joint Survey along with the Surveyor of CWC / Consignor / Consignee / Insurance Company, etc. for assessment of loss/damage to cargo and / or container. In case the contractor does not provide his own surveyor for the joint survey, the contractor shall not raise, subsequently, any dispute regarding the assessed value of loss/damage to cargo and/or container. Moreover, the contractor shall be under obligation to issue "Damage Certificate" to the Consignor/Consignee, within a reasonable time, enabling the Consignor/Consignee to claim compensation from the Insurance Company, in the format as desired by CWC. Settlement of claims of Consignor/Consignee with Insurance Company should not lead to the conclusion on the part of the contractor that his liability is over. The contractor shall be required to settle all claims/liabilities, whatsoever, against CWC, which come to CWC under all such situations. The contractor may undertake to repair the damaged container, which has met with an accident under his custody, at his own initiative. This he shall do to the complete satisfaction of the concerned shipping line / CWC to which the container belongs to at the time of accident.

12. SAFETY

- 12.1 It shall be the duty of the contractor to acquaint himself with all safety regulations regarding handling equipment. The contractor shall follow the safety requirements mentioned here and as applicable by laws, rules and regulations all the time during the period of contract.
- 12.2 The contractor shall indemnify Central Warehousing Corporation, against any violation of safety laws, rules and regulations while carrying-out operations as required by the contract.
- 12.3 No unauthorized person should be allowed to work on the equipment etc. The drivers and crane operators should have valid license and should be proficient in their work. No person without a valid driving license should be allowed to drive the vehicle.

13. LIABILITY

- 13.1 The contractor shall be liable to compensate CWC for all damages, losses and claims in respect of damages / injuries to containers or cargo or to Customs or to any other person or damages to property belonging to CWC whether in his possession or not, through negligence, misconduct, default or any other act of commission or omission or that of his agents, servants or employees. Such compensation shall be determined by CWC and shall be recovered from pending bills or Security Deposit or Bank Guarantee / FDR under this or any other contract of the contractor with CWC for any other place / location.

Signature of Tenderer with Seal

13.2CWC will not be liable to pay any compensation to the staff / labour of the contractor for the injuries / death while performing duty. In case CWC is to incur any liability, the same will be recovered from the contractor.

14.PAYMENTS, TAXES AND DUTIES:

14.1Subject to any deductions, which CWC will be authorized to make under the terms and conditions of this contract, the contractor shall be entitled for payment for various cycles of activities performed by him at the end of the cycle, at rates finally accepted by CWC. The procedure of billing and payments will be as follows:

14.2CWC will issue Job Orders for carrying out container handling and transport operations at ICD. The contractor, immediately after completion of the work as per cycles defined in SOR, should report the compliance of the Job Order in writing to enable CWC to issue the Work Done Statement, which should be enclosed along with the fortnightly handling / bills for the work done in the previous fortnight. Bills will not be entertained without the Work Done Statement.

14.3In case of combined cycle activities defined in Scope of Work, the payment will be made at the successful completion of each cycle (e.g. stuffing / de-stuffing etc.) and the proportion for payment after each cycle will be decided by CWC official In- charge at ICD-Waluj.

14.4The contractor shall prepare and submit fortnightly/monthly bills in prescribed forms based on the quantum of work handled / transported during the previous month to the Terminal In-charge of ICD-Waluj. (*The format in which the bills should be prepared by the contractor shall be in tune with the format in which CWC's reports are prepared. This will help to check the bills faster.*) Payment of the amount claimed will be arranged after necessary checks of the correctness of the claim, deducting all charges/ penalties / damages / fines / recoveries due, **including TDS and/or any other levies at the prescribed rates.** The aforesaid payment of the bill will ordinarily be made within (10) ten days of submission. An occasional or inadvertent delay, however, shall neither entitle the contractor to claim interest nor provide a basis for termination of contract. The work shall in no case be hampered on account of non-payment of bills.

14.5.CWC will have the right to recover any over payment which might have been made to the contractor by CWC through inadvertence, error, etc., or any cause, whatsoever from handling bills and from the security deposit or any other amounts due to him. In the event of any such recoveries / adjustments being made from the security deposit, the contractor shall at once make good deficiency in the amount of the security deposit within fifteen days of payment to this effect, failing which CWC will be at liberty to deduct the said amount from the future bills.

14.6 GST or any other tax on input material or services used by the contractor shall be payable by the contractor and Central Warehousing Corporation will not entertain any claim whatsoever in this respect.

14.7 Prices quoted are inclusive of all applicable taxes except GST. GST shall be paid extra at applicable rates subject to submission of tax invoice as per rule under GST law. CWC shall deduct GST at source at applicable rates in case transactions under this contract are liable to GST deduction at source. Under GST regime, the contractor is required to correctly and timely disclose the details of output supplies to CWC as per GST rules in his GST returns. Non-compliance would result in mis-matching of claims and denial of input tax credit to CWC.

Notwithstanding anything contained in agreement/contract, in case of such defaults by the contractor the amount of input tax credit denied in GST along with interest and penalty shall be recovered from the contractor.

Signature of Tenderer with Seal

14.8 The payment shall be made through e-payment system for which the following details shall be provided by the contractors immediately after commencing the contract:-

- i) Bank Account Number
- ii) Name of the Bank
- iii) RTGS Code Bank(IFSC code) (RTGS charges to be borne by the contractor)

15. TIME LIMIT FOR SUBMISSION OF BILLS

- 15.1 The contractor shall make a claim for the services rendered under this contract to CWC within (4) four months of such service. If he does not prefer claim within the said period, he shall be deemed to have waived his right in the respect thereof and shall not be entitled to any payment on account thereof. Nevertheless, the accepting authority on written request can waive off this limitation and allow late submission of bills if the reasons for delay are found convincing and reasonable.
- 15.2 No claim in respect of under payment to the contractor shall be considered valid or entertained unless a claim in writing is made thereof within (4) four months from the date on which payment of the original claim thereto was made. Any claim for such under payment, not received within the stipulated four months period, shall be liable to be summarily rejected by CWC. Nevertheless, the accepting authority on written request can waive off this limitation and allow late submission of bills if the reasons for delay are found convincing and reasonable.
- 15.3 However, in case of any specific issue over which the contractor had not billed for any particular activity the same can be allowed for payment, subject to with the prior approval of the Regional Manager, notwithstanding what has been laid down in the Clause on Payment. The decision of the Regional Manager shall be final and binding on the contractor.

16. PAYMENT AGAINST ADDITIONAL OR EXTRA OR SUBSTITUTED SERVICES

- 16.1 The Contractor shall have to perform all the services provided for in this contract and shall be paid at the rates quoted by him and accepted by CWC, subject to the terms and conditions of this contract. The contractor shall also provide any additional services not specifically provided for in this contract for which the remuneration shall be payable at the rates as may be settled by mutual negotiations.
- 16.2 The rates for any new items of work or substitution of existing items by a modified item would be derived in the manner given below:
- (i) As far as possible, the rates of a new item of work or part of work would be derived from the existing rate schedule and would be acceptable to the contractor.
 - (ii) If on any account it is not possible to derive the rates from the existing rate schedule, then the rate prevailing at a similar facility ICD nearby would be applicable.
 - (iii) If no such rates are available even in the nearby facility, then market rates would be ascertained and paid for by CWC and accepted by the contractor.
- (iv) The decision of the Competent Authority (MD), CWC with respect to the rates for extra/ substituted items of work will be final and binding.

17. DEDUCTIONS TOWARDS INCOME TAX, OR OTHER STATUTORY LEVIES AT SOURCE

Income Tax at the rate as applicable under provisions of the Income Tax Act, shall be deducted at source from the Bills/Invoices of the Contractor. In case, however, the contractor is granted exemption from the deduction of Income Tax at lower rate, he shall be required to produce such certificate issued by the prescribed Income Tax Authority clearly stating therein that No Income Tax or Lower Income Tax, as the case may be, deducted at source from the contractor against the said contract, failing which income tax at full rate, as prescribed under the Act, shall be deducted. Such exemption or lower rate certificate shall have to be obtained by the contractor from the prescribed Income Tax Authorities and furnished to the Corporation at the commencement of each Financial Year.

18. EXIT CLAUSE

CWC will have the liberty to terminate the contract by giving an advance notice of (90) ninety days in case there are strong business reasons for it to do so as determined by its management.

18A. FORCE MAJEURE

Notwithstanding anything in this agreement to the contrary neither the CWC nor the contractor shall be liable or deemed to be in default for any failure or any delay in performance hereunder, if caused by "force majeure" which term shall mean but not be limited to fire, explosion, natural causes like flood, earthquake, civil commotion, strikes epidemic and other acts of God, action of enemies, act of any government or other similar causes beyond the control of the party affected, who shall notify the other party within a reasonable time from the beginning of the operation of said cause and shall thereafter exert all diligence to overcome such cause of delay and resume performance.

19. ARBITRATION

All disputes and differences arising out of or in any way touching or concerning this agreement, whatsoever (except as to any matter, the decision of which is expressly provided for in the contract) shall be referred to the sole arbitration of any person appointed by the Managing Director, Central Warehousing Corporation, New Delhi.

The award of such arbitrator shall be final and binding on the parties to this contract. It is a term of this contract that in the event of such Arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason, the Central Warehousing Corporation at the time of such transfer, vacation of office or inability to act shall appoint another person to act as Arbitrator in accordance with the terms of this contract. Such person shall be entitled to proceed with the reference from the stage at which was left by his predecessor. It is also a term of this contract that no person other than a person appointed by the Managing Director, Central Warehousing Corporation, New Delhi as aforesaid should act as Arbitrator and if for any reason that is not possible, the matter is not to be referred to arbitration at all. The Arbitrator shall give reasons for his award.

Provided further that any demand for arbitration in respect of any claim(s) of the contractors under the contract shall be in writing and made within one year of the date of termination or completion (expiry of the period) of the contract and where this provision is not complied with, the claim(s) of the contractors shall be deemed to have been waived and absolutely barred and the Corporation shall be discharged and released of the liabilities under the contract.

Signature of Tenderer with Seal

The venue of the Arbitration shall be such place as may be fixed by the Arbitrator at his sole discretion.

The arbitral proceedings in respect of dispute shall commence on the date on which the Arbitrator call upon the parties to file their claim and defence statement

The work under the contract shall, if reasonable possible, continue during the arbitration proceedings and no payment due or payable to the contractor shall be withheld on account of such proceedings.

The costs of arbitration shall be borne by the parties as per the decision of the Arbitrator.

The Arbitrator shall give separate award in respect of each dispute of difference referred to him.

Subject as aforesaid the Arbitration and Conciliation Act, 1996 shall apply to the Arbitration proceedings under this clause.

EXPLANATION:-

For the purpose of this clause, the expression 'MANAGING DIRECTOR' shall include any officer for the time being performing the duties of the Managing Director of the Central Warehousing Corporation, New Delhi.

20. SUBLETTING NOT ALLOWED

The contractor shall not sublet, transfer, or assign the contract or any part thereof, without the previous written approval of CWC. In case the contractor contravenes this condition, CWC shall be entitled to place the contract elsewhere at the risk and cost of the contractor and all expenses borne on this account shall be recovered from him.

21. DEATH OF THE CONTRACTOR

No alteration by death, resignation, addition or otherwise for or to the contractor or the partners constituting the contractor's firm shall vitiate or affect this contract but the contractor's heir or heirs or partners of the firm for the time being shall be absolutely bound by the terms hereof in the same manner as if he/they had been the sole or original party/

22. NOTICE ETC.

Save as otherwise provided, all notices issued and action to be taken for and on behalf of the Regional Manager, CWC, shall be issued or taken on his behalf by the official, in charge of the ICD-Waluj or officer so nominated by the Competent Authority. The contractor shall furnish to Regional Manager, Mumbai Region of CWC/ Manager ICD, the name(s), designation(s) and address(s) of his authorized representative and all complaints, notices communication and references shall be deemed to have been duly served to the Contractor if delivered to him or his authorized representative or left at or posted at the address so given.

23. WAIVER OF DAMAGES

- 23.1 In case of Accidents, fire, fog, congestion, etc., the Manager ICD may condone the delay in execution of job orders and no damages would be imposed in such an eventuality, provided the incident warranting such an action by the Manager ICD is brought out clearly on record.
- 23.2 Notwithstanding anything contained hereinabove, the REGIONAL MANAGER shall be the Authority to consider waiver of any damages imposed under this contract, by the Manager ICD, in part or full, at his sole discretion.

24. INTERPRETATION OF THE CLAUSE

Doubts, if any, about the interpretation of any of the clauses in these tender, meanings of words, terms, specifications, operations or instructions, or as to the quality of workmanship or performance shall be referred to the Tender Accepting Authority of CWC, whose decision in the matter shall be final. Similarly any difficulty in implementing the contract can be resolved by referring the matter to the Accepting Authority, who can amend the CWC's condition/clause of contract if required.

25. Handling & Transportation Contractor (HTC) shall have to follow the provisions of **Customs Act, 1962** and the "**Handling of Cargo in Customs Areas Regulations, 2009**" & rules regulations framed thereunder from time to time in its letter & spirit. As per Regulation 6(2) of the "Handling of Cargo in Customs Areas Regulations, 2009" the Corporation is required to seek permission from the Customs for the purpose of appointment of HTC. Any delay in getting the required permission from the Customs, shall not entitle the HTC to claim any compensation/ damages against the Corporation.

26. SET OFF

Any sum of money due and payable to the contractor (including security deposit refundable to him) under this contract may be appropriated by the Corporation and **set off** against any claim of the Corporation for the payment of any sum of money arising out of this or under any other contract made by the contractor with the Corporation.

PRINCIPLES OF THE MEMORANDUM OF UNDERSTANDING TO BE EXECUTED BETWEEN THE MEMBER ENTITIES OF A BIDDING CONSORTIUM

The principles based on which the Memorandum of Understanding (MOU) shall be executed between/among the Member Entities of a Bidding Consortium, are stated below:

1. The MOU should clearly specify the roles and responsibilities of each of the Member Entities. It is expected that the individual members have role definitions not conflicting with that of the other members of the consortium. The operational responsibility should be assigned to only one of the Member Entities.
2. The MOU should clearly designate one of the Member Entities as the Lead Member.
3. The Lead Member should be authorized to perform all tasks including, but not limited to providing information, responding to enquiries, entering into contractual commitments on behalf of the Bidders, etc. of the Member Entities.
4. The MOU should be duly signed by each of the Member Entities.
5. The MOU should be executed on a stamp paper of appropriate value.
6. The MOU should be specific to the work specified in the tender.
7. The MOU shall provide that each of the member entities shall be a party to the agreement with CWC and shall be jointly and severally responsible and liable to fulfill all the obligations to be assumed by the Bidder under the agreement with the CWC at all times during the period of the validity of the agreement.
8. The MOU shall provide that no Member Entities shall withdraw from the agreement with CWC without the prior written approval of CWC, which CWC may refuse if in CWC's opinion such withdrawal will be prejudicial to the interest of CWC.
9. (a) The MOU shall provide that if the Member Entities desire to establish a Special Purpose Vehicle (SPV) to implement the agreement with CWC, Special Purpose Vehicle shall not undertake any other activity without the prior approval of CWC; (b) the Lead member shall hold minimum of 40% of the voting shares in the Special Purpose Vehicle and out of the balance at least 20% of the voting shares shall be held by other Member Entities and (c) notwithstanding the Special Purpose Vehicle, responsibilities, obligations and liabilities of member entities to CWC shall continue without any change.

This pre-bid/pre-contract Agreement (hereinafter called the Integrity Pact) is made on _____ day of the month of _____ between on one hand, the Central Warehousing Corporation (A Govt. of India Undertaking), 4/1 Siri Institutional area, Hauz Khas, New Delhi, acting through Regional Manager, Central Warehousing Corporation (A Govt. of India Undertaking) (hereinafter called the "CORPORATION" which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s _____ represented by Shri _____, (Name of the contractor) (hereinafter called BIDDER which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the CORPORATION proposes to appoint a contractor for handling & transportation of ISO containers at CENTRAL WAREHOUSING CORPORATION,ICD-WALUJ and the BIDDER is willing to execute the items of work /Section as per schedule of work, the work order issued General conditions of the contract of CWC.

WHEREAS the BIDDER is a private company/public company/Government undertaking/partnership firm constituted in accordance with the relevant law in the matter and the corporation is a PSU performing its functions on behalf of the Ministry of Consumer Affairs, Food and Public Distribution, New Delhi, Govt. of India.

NOW, THEREFORE

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:-

Enabling the CORPORATION to obtain the desired said work at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and Enabling BIDDER to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the CORPORATION will commit to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this integrity Pact and agree as follows:

1. **Commitments of the Corporation**

- 1.1 The Corporation undertakes that no official of the CORPORATION, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any

material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, dis-favorion or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.

- 1.2 The CORPORATION will, during the pre-contractor stage, treat all BIDDERS alike and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.
- 1.3 All the officials of the CORPORATION will report to the appropriate authority any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
2. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the CORPORATION with full and verifiable facts and the same is prima facie found to be correct by the CORPORATION, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the CORPORATION and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the CORPORATION the proceedings under the contract would not be stalled.
3. Commitments of Bidders
The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:-
 - 3.1 The BIDDER will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the CORPORATION, connected directly or indirectly with the bidding process, or to any person, 98is favor98on or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
 - 3.2 The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the CORPORATION or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the CORPORATION for showing or forbearing to show favour or 98dis-favor to any person in relation to the contract or any other contract with the CORPORATION.
 - 3.3 The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the CORPORATION or their family members, agents,

brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.

- 3.4 The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 3.5 The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.6 The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the CORPORATION as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.7 The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 3.8 The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 3.9 If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER, either directly or indirectly, is a relative of any of the officers of the CORPORATION, or alternatively, if any relative of an officer of the CORPORATION has financial interest/stake in the BIDDER's firm, the same shall be disclosed by the BIDDER at the time of filling of tender. The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act, 1956.
- 3.10 The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the CORPORATION

4. **Previous Transgression**

- 4.1 The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify BIDDER's exclusion from the tender process.
- 4.2 The BIDDER agrees that if it makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

5. **Earnest Money Deposit**

- 5.1 While submitting Technical bid, the BIDDER shall deposit an amount of Rs. _____ (to be specified in NIT) as Earnest Money, with the CORPORATION through any of the following instruments:

Signature of Tenderer with Seal

Bank Draft in favour of Central Warehousing Corporation, payable at -----

- 5.2 Any other mode or through any other instrument (to be specified in the NIT).
- 5.3 The Earnest Money/Security Deposit and performance guarantee shall be valid for the period as per the relevant terms & condition of the contract
- 5.4 No interest shall be payable by the CORPORATION to the BIDDER on Earnest Money/Security Deposit/performance guarantee for the period of its currency and upto their validity.

6. **Sanctions for Violations**

Any breach of the aforesaid provision by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the CORPORATION to take all or any one of the following actions, wherever required:-

- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
- (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the CORPORATION and the CORPORATION shall not be required to assign any reason therefore.
- (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
- (iv) To recover all sums already paid by the CORPORATION, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the CORPORATION in connection with any other contract for any other stores/work such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- (v) To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the CORPORATION, along with interest.
- (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the CORPORATION resulting from such cancellation/rescission and the CORPORATION shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
- (vii) To debar the BIDDER from participating in future bidding processes of the CORPORATION for a minimum period of five years, which may be further extended at the discretion of the CORPORATION.

- (viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
- (ix) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the CORPORATION with the BIDDER, the same shall not be opened.
- (x) Forfeiture of Performance Bond in case of a decision by the Corporation to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

- 6.1 The CORPORATION will be entitled to take all or any of the actions mentioned at para 6 (i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.
- 6.2 The decision of the CORPORATION to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the independent Monitor(s) appointed for the purposes of this Pact.

7 Fall Clause

- 7.1 The BIDDER undertakes that it has not supplied/is not supplying similar product/systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry/Department of the Government of India or PSU and if it is found at any stage that similar product/systems or sub systems was supplied by the BIDDER to any other Ministry/Department of the Government of India or a PSU at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the Corporation, if the contract has already been concluded.

8 Independent Monitor

- 8.1 The CORPORATION has appointed Independent Monitors (hereinafter referred to as Monitors)
- 8.2 *For this pact, in consultation with the Central Vigilance Commission. Shri Diwan Chand Arya, Flat No. B2A-102, Golf Link Residency, Sector-18-B, Dwarka, Delhi-75 and Sh. Shahnawaz Ali, Flat No.301, SMR's Oosman Vinay Heights, Keshav Nagar, Mettuguda, Secunderabad-500 017 have been appointed.*
- 8.3 The task of the Monitor shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

- 8.4 The Monitor shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.
- 8.5 Both the Parties accept that the monitors have the right to access all the documents relating to the project/procurement, including minutes of meetings.
- 8.6 As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the Corporation.
- 8.7 The BIDDER(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Corporation including that provided by the BIDDER. The BIDDER will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/Subcontractor(s) with confidentiality.
- 8.8 The Corporation will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.
- 8.9 The Monitor will submit a written report to the designated Authority of Corporation within 8 to 10 weeks from the date of reference or intimation to him by the Corporation / BIDDER and, should the occasion arise, submit proposals for correcting problematic situations.

9 **Facilitation of Investigation**

In case of any allegation of violation of any provisions of this Pact or payment of commission, the Corporation or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

10 **Law and Place of Jurisdiction**

This Pact is subject to Indian Law. The Place of performance and jurisdiction is the seat of the Corporation.

11 **Other Legal Actions**

The actions stipulated in this integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

NOTE:

1. GST or any other tax on input material or services used by the contractor shall be payable by the contractor and Central Warehousing Corporation will not entertain any claim whatsoever in this respect.
2. Prices quoted are inclusive of all applicable taxes except GST. GST shall be paid extra at applicable rates subject to submission of tax invoice as per rule under GST law. CWC shall deduct GST at source at applicable rates in case transactions under this contract are liable to GST deduction at source. Under GST regime, the contractor is required to correctly and timely disclose the details of output supplies to CWC as per GST rules in his GST returns. Non-compliance would result in mis-matching of claims and denial of input tax credit to CWC.
3. Notwithstanding anything contained in agreement/contract, in case of such defaults by the contractor the amount of input tax credit denied in GST along with interest and penalty shall be recovered from the contractor.

 [Signature of Tenderer with Seal]

4. The rates for various items of work are quoted irrespective of the interval of time that may elapse between different parts of operation.
