

CENTRAL WAREHOUSING CORPORATION
(A GOVT. OF INDIA UNDERTAKING)

CWC/MIS-Website-DM/corrigendum-3/2018-19

Dated: 28.09.2018

Corrigendum

Attention of all concerned is hereby invited to the NIT bearing No. CWC/MIS-Website-DM/2018-19 Dated: 04.09.2018 for “redesigning/revamping, content management, maintenance of its existing website www.cewacor.nic.in which is hosted on NIC cloud server, development of mobile application on Android and IOS platform for online space booking of warehouses and digital marketing”.

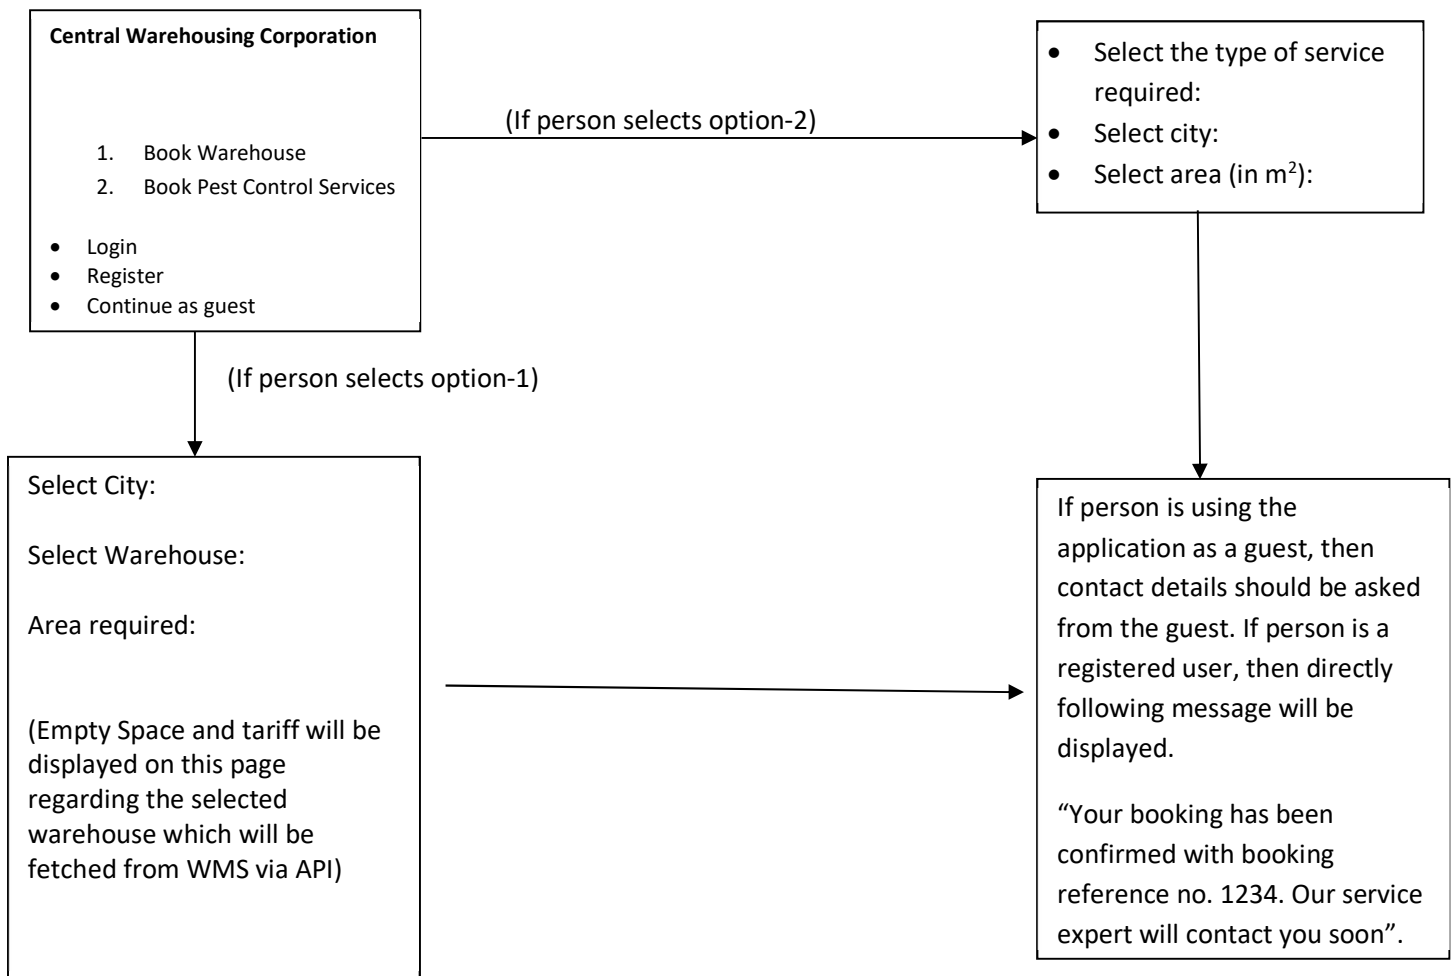

In this regard Clause No. 2.14 of Section-III of the tender document has been modified. The modified clause now to be read as **“Online system for booking of warehouses and Pest Control Services”**. Mobile application is to be developed for booking of both the services as per the modified clause. The probable flow of the application for booking of pest control and space reservation services for which the mobile application is to be developed is marked as annexure-XI.

- **All the other terms and conditions remains unchanged.**
- **Corrigendum to be considered as the part of the tender document.**

Annexure-XI

Probable flow of the mobile application for booking Pest Control Services and booking of space in warehouses is depicted below:

- **Type of services under pest control:** 1. Grain pest management (Prophylactic & Curative Treatments) , 2. General Disinfestations (Surface Treatment and Gel treatment), 3. Rodent Control (baiting, burrow fumigation, glue trap), 4. Anti-Termite treatment (pre construction, post construction), 5. Vector Control (Larvicide Treatment, Fogging), 6. Weed control, 7. Disinfection against microbial pest (ULV treatment, surface treatment), 8. Fumigation (Alp, MBr) on pan India basis as on date. The tariff's are different according to the service and class of city in which service is to be delivered.
