Managing Director
Central Warehousing Corporation

MESSAGE

Dear friends & colleague, ladies & gentlemen

At the outset, I wish you & your family, a very prosperous & happy new year. Before I move on, I would like to recite two good wishes of this New Year which I have received today from the corporation staff.

Mr. Tulsi, Sr. Assistant Manager (Accounts), Jaipur conveyed, “*Hearty good wishes for the New Year 2021*”. *Central warehousing welcomes with its aim to provide reliable, cost effective, value added, integrated warehousing and logistic solutions in a socially, responsible and environmentally friendly manner at 415 warehouses, 25 CFSs, 3 Air Cargo Complex, 2 ICPs and 3 temperature control. And it ends with COVID-19 prevention message, “wear mask, stay safe and adopt digital.”* Another **Mr. Binay Chiraniya**, Regional Manager, Guwahati conveyed, i.e., “*This Pandemic Year-2020 has changed the way we work, interact and how business engage with its various stakeholders. Automation and digitization have been integral part of our transformation, and these have allowed us to adopt and pivot seamlessly to the new normal and achieve new peak.*”

These two new year greetings sum-up, the way, **we have worked since the 25th March 2020 till today (1st Jan’2021)**. I am really touched by such warm wishes and gratitude that I have received from more than 200 employees, today morning. I am extremely thankful, to all of you.

Now let me share the happiest moment of my life and the CWC, i.e., “*promotion of 470 well deserving staff of our corporation*”. I congratulate all of them on behalf of the corporation and from my side. You will also be happy to know that during the last three years, corporation has promoted 936 staff out of 2800 total staff. That means, by the time, I will retire from here, many more staff will be further promoted. You have been promoted because you deserve it and for this you have put in your entire life in this CWC, it is not a favour. Of course, this promotion may be delayed one for many, because, someone may be getting promoted after 20 years. Many of you have been telling me about getting only few promotions in the whole career. I used to feel bad that if I have got all due promotions in time, then, why my staff should not be promoted in time. It is the proud time for myself and Director (Personnel) Sh Rakesh Sinha, Manager/R&P Sh Sumit, DGM/Pers Sh Pawan Kumar, Sh A M Rao, GGM (Pers & MIS) and all team members of Personnel & MIS Division, for achieving this unbelievable feat. Once again, I wish heartiest congratulations to those who have been promoted today.

Not let me truthfully admit all of you’re the best. I have worked in 21 different capacities / posts in my about 32 years of service. In Delhi Division, I had about 10,000 employees. I have interacted with thousands of staff in my service life so far. But I can say that I have never come across such simple, hardworking, result oriented staffs, like you. You have limited desires but ambition to fly high in the sky. You are selflessly serving corporation and society and providing food-grains to poor as well as rich people by providing them integrated scientific warehousing services. There can be no bigger help to the society than this. We were lucky that we got Government job. Now, it is our bounden duty to deliver back to the society. And truly speaking, you are doing your duty in the most befitting manner.

WAREHOUSING FOR EVERYONE
जन-जन के लिए भण्डारण

Arun Kumar Shrivastava
Managing Director
Central Warehousing Corporation

MESSAGE

And I also salute your commitment, for the way, you have performed in the midst of the COVID pandemic, which had / have completely locked society and disturbed the social life. When nobody was ready to venture out and people were scared to meet their family members, still you worked 24x7, all days, during this difficult time. You have risked your life, wife/husband, family, but worked without any fear and asking anything. You have shown resolute character and confidence that nothing will happen to you. **You are the real hero and Corona Warriors.**

I am also conveying my **deep condolences** to those six employees of CWC who have lost their lives due to COVID namely; Sh. S. K. Mishra, Sh. Surender S. Servey, Sh. Eknam Vittal Vore, Sh. Ram Gopal Aggarwal, Sh. Niteshan Kasu, Sh. A. V. Chauhan. I pray to God to rest their souls in peace and give strength to their families to bear the grief.

Now let me **share spectacular success story** of your Corporation. I am working in this corporation since June'2018. Some of you may have been working for more than 35 years. This year, your corporation may achieve a **turnover of Rs.2100 crore**, which used to be about Rs.1600 crore. The storage capacity utilization is **87%, and we achieve 90%**. It is amazing feat. During 2018-19, 2019-20 and current year 2020-21, you have added about **four Lakh Metric Tonne capacity covered godown** (new and un-storage worthy to storage worthy, put together). The Profit Before Tax (PBT) may exceed **Rs.600 crore**, which used to be about Rs.250 crore in the past FY. I am sure that you will get highest bonus (PLI / PRP) due to expected ever best financial performance during the year 2020-21, comparable to Navratna PSUs. I am proud to be part of this year's spectacular success story.

I thank entire team of MIS Division, for enabling all of us to successfully deliver results and work without any fear of COVID virus. We have successfully implemented Govt. of India's mission mode projects of **e-governance**, by going 100% digital. During the past, 35 e-tools have been implemented. There is paradigm shift in our day-to-day office working after implementation of e-office, Warehouse Management System, Tally, Bill Tracking System, Vigilance Information System and most importantly, Webinar system, which has enabled your MD to directly talk to all of you on the 1st January. I am very happy that MIS Division has connected myself to far-flung areas today and many of my staff are directly hearing the 1st Jan'2021 Sandesh / message. I am really happy for 100% digital transformation of the Corporation. We have also created history, by becoming the first PSU to get Anti Bribery Management System certification.

Herein, let me frankly swear that any modern system, machine, machinery, software, warehouse, computer, etc, **cannot run without manpower of outstanding work ethics**. In a very short span of time, you have very well perfected yourself with **digital tools** during the Pandemic situation and made best use of machine and human for CWC's growth.

I would also like to share the sentiments of Board of Directors and the Ministry. They are very happy to see the positive financials and progress of the corporation. That is the main reason that, the BoD and the Ministry have approved, whatever proposals have been tabled before them, for examples, death compensation, COVID kit allowance, medical facility and promotion. **CWC management has been able to support you, only because of the**

MESSAGE

active support of the Board of Directors and they have supported you because you have performed the best.

Today CWC is a 100% sustainable company. Nobody can say that you have been given perks and facilities which the corporation cannot afford. Even after rendering requisite and commensurate facilities to you, the Corporation will be having surplus money for giving dividend to the Govt. of India and finance all expansion works.

Now let me give you my mind about how a Corporation should maintain its asset. When we buy a new house, we ensure that basic amenities are available in our house. In case of central warehouses, at times, we tend to neglect. We fail to care about conditions of the warehouses, the way, private sectors like Reliance, Adani, Amazon etc, maintain their asset. I have launched pre-Deepawali drive, for whitewashing, distemper, painting, cleaning of central warehouses, etc. But that this **upkeep drive** is only once a year. I urge all of you to maintain your office and Central Warehouses, like, Tata, Birla, Amazon, Big Basket maintain/decorate their complexes. Fund is not an issue. You are earning adequate money. You have right to invest in the corporation property. Because, if your office/central warehouses are well maintained, then only you command and attract valued customers and fetch more business.

Recently I had visited, two central warehouse of Jaipur region. One of the warehousing complexes is in **dilapidated condition**, with huge vacant land where additional capacity can be created, provided there is right business plan. Herein, treat this as my order that you have to make your warehousing complex 100% well kept & shining. This is absolutely possible provided you change your mindset. There is no ban for any revenue / capital expenditure. Further, GoI is pushing all PSUs for capacity building and infrastructure development. By March'2022, I expect that you would complete maintenance works central warehouses. And by March'2025, you would be able to create additional **five Lakh Metric Tonne Capacity**. Let us promise to make the our **CWC of outstanding quality and the first choice of customers**. This Corporation is a person, living entity. Make it lively & vibrant organization. Without you, this Corporation shall not exist. Today this Corporation is working because you are working for this organisation with commitment and you are having core competency in the warehousing.

Once again, I salute all of you for your **sincere deliverance of result** and wish you Happy New Year. You must **take pride** that you have made this corporation, the best during the 2020-21. Let us take pledge to achieve a **turnover of Rs.3000 crore** during FY 2022-23.

Jai Hind
