## **2. Introduction and Background**

- 2.1 The Central Warehousing Corporation (CWC) is a premier Schedule -A, Mini Ratna, Public Sector Undertaking. It provides integrated warehousing logistics services. It has diverse presence in storage of food grains, Container Freight Station (CFS), Inland Container Depot (ICD), Custom Bonded Warehousing, Integrated Check Post (ICP), Air cargo complexes, Container train operations (CTO), Rail-side warehousing, etc.
- 2.2 CWC is coming up with a unique scheme for setting up the Cold storages/Controlled Atmosphere and Temperature (CA&T)/Pack-house /Food processing/Packaging units/value addition plant at farm gate, production zones and consumption markets. These units can be developed through financial assistance available under various government schemes, like, RKVY, scheme of MOFPI and **/OR through self-financing.**
- 2.3 CWC has identified various locations, based on the production of agri-perishables i.e. fruits, vegetables, spices, dairy& sea products, etc, and near the major consumption centers. These locations are ideal for setting up of cold storage/pack-houses/CAT facilities/food processing unit/Packaging Unit/ value addition plant as per the need. At these locations CWC is already having its warehousing facilities which can be partially or fully converted and utilized as Cold storage.
- 2.4 The key objective is to:
- To provide a chain of cold storages//Food processing/Packaging units/value addition plant across the country.
  - To prevent distress sale by the farmers of their perishable product.
  - To ensure perishable products are available throughout the year.
  - To provide a platform to better utilize the Govt. funding schemes for cold storage.
  - To provide covered space for creating cold storage/CAT facility//Food processing/Packaging units/value addition plant by retrofitting.
  - To provide covered space and vacant land for development/construction of Cold storage facility /Food processing/Packaging units/value addition plant of any type in the prime urban or rural area.
  - To reduce the total cost and gestation (concept to commissioning) period of setting up / developing a cold storage//Food processing/Packaging units/value addition plant by providing land, godown, warehousing facility, with all basic amenities, security system, boundary walls, gate complex, office blocks, electricity, water supply, sewerage system, approach roads, etc.

## **3. Description of EOI Process:**

- 3.1 The stage of Expression of Interest (EOI) is undertaken as an industry consultation to determine credible Bidders having requisite capability for undertaking the Scope of Work, to provide their inputs on the key parameters to be adopted by CWC which would help determining the terms and conditions of the RFP. Pre-qualification of Bidders will not be done at this stage.
- 3.2 Subsequent to this EOI and the finalization of the Project details, CWC proposes to issue a Request for Proposal (RFP).
- 3.3 CWC does not, in any manner what so ever, warrant or represent that it will subsequently

proceed to release the RFP and/or initiate the RFP Stage of the Bidding Process. Accordingly, the information regarding the RFP made in this EOI are indicative in nature and purely informative, and non-binding.

- 3.4 CWC in its absolute discretion may cancel, change, alter or replace the RFP Stage of the Bidding Process and/or the Project itself, without according any reason thereof or providing any prior notice to any person including the Bidders or Bidders, as the case may be.
- 3.5 Brief description of various existing facilities of CWC, identified for setting up of cold storage is mentioned in **Annexure-III**. The layout plan and other description of the facility can be seen on URL <https://www.google.com/maps/d/viewer?mid=1fgHwvxAbwmMCUyD3ZaeykF-56BrZPVbB&ll=24.490292014157554%2C81.35254737738387&z=4>(Compatible with Desktop and Laptops).
- 3.6 The bidder is also free to propose any other location with complete description and justification for setting up of cold storage, based on production of any such item(s) (which needs cold storage), its consumption or any other reason(s). If found suitable, CWC may include such location in its RFP, but the same is not binding on CWC.
- 3.7 Bidders are advised to visit the locations of their interest and make them well acquainted with the facility/location before sending the EOI. The Bidders may offer their comments on proposed facilities and their locations / area.

#### **4. Scheme & its Benefits**

- 4.1 Scheme:** CWC is coming up with a unique scheme for setting up the Cold storages/Controlled Atmosphere and Temperature (CA&T)/Pack-Houses//Food processing/Packaging units/value addition plant near farm gate, production zones and consumption markets. These units can be developed through financial assistance available under various government schemes like RKVY, scheme of MOFPI and/ **OR through self-financing.**
- 4.2** Bidder seeking financial assistance under government scheme will be selected through RFP process. They have to get the all formalities i.e. preparation of DPR in the name of CWC, submitting it to concerned funding/financing agency through CWC, and getting the funds approved. CWC will pass on the financial assistance as received under government scheme to the bidder.
- 4.3 Benefits:** There are a lot of benefits of CWC scheme& proposal for the operators as well as the producers & consumers.
- **Reduction in setting up cost and time:** The basic requirement, i.e. land, boundary wall, gate complex, security arrangements, electricity connections, water supply, sewerage system, well maintained roads, lorry weigh bridge / weighing facilities and godown/warehouse (for retro-fitting of cold storage system) are already there at each location. It will help in reducing the overall cost of setting up the facility and project commissioning time.
  - **Strategic Locations:** All identified locations of CWC are either situated at the farm gate/production zone or near the consumption centers (Metros). This will give the operator a competitive advantage. It will also help in reduction in transportation cost & faster delivery.
  - **Network of cold chain required vis-à-vis central warehouses:** CWC centers are located across the country and hence these provide an opportunity to the cold chain operators to develop the cold chain at the locations of their choice in order to create a

value chain from first mile to last mile, with all ancillary facilities, such as pack house, ripening centers, etc.

- 4.4 CWC offers storage space on dedicated basis, wherein Cold Storage / CAT facility/ Food processing units/packaging units/value addition plant can be created within the covered space. Parties not intending to seek financial assistance under any government scheme can take space on fixed charge basis. An agreement for maximum 10 year duration can be executed. Copy of agreement is at annexure IV. Fixed storage charge can be seen on our website.
