Date: 25.06.2019

CIRCULAR

It is in continuation of this office circular of even no. **1909**, dated: **27.05.2019**, vide which it had been emphasised upon all that there should be a close liaison in between Civil & Electrical Engineer of the Corporation, so that the estimate /cost index for electrical work is prepared simultaneously and submitted by Electrical Engineers in time.

Instances have come to the notice of the undersigned that the project estimates are being submitted by the Head of Engineering (HOE) of Regional Offices without the provision of Electrical works in this estimate. In absence of above, sanction of the total project cost/estimate is delayed & such delay is not appreciated.

Hence, All the HOEs are once again directed to submit the complete project estimate i.e. for Civil & Electrical jointly. The estimate received without the provision of electrical portion shall not be entertained by this office. The concerned HOE will be held responsible for such lapses in future.
