Sub : Inter-region/ squad inspection of the warehouses – reg.

Sir,

You are aware that in the past there are incidents of theft, fraud and misappropriation of the stock at different warehouses keeping in view it become utmost necessary that priority should be given to the general inspection of the warehouses including inter region/ squad inspection. The inter region/ squad inspection are allotted for the centre keeping in view of the capacity, transaction, sensitiveness as well as the complaints received from the depositor etc. But it is observed that the RMs are not relieving the concerned officer who have been allotted inter region/ squad inspection as per the programme which defeat the very purpose of the same. All RMs are once again advised that the concerned officers shall be relieved for inter region/ squad inspection immediately so as to complete the same for the month which is allotted. This is for strict compliance.

Yours faithfully,

(O.P. BHARATI)
