जन जन के लिए भण्डारण - WAREHOUSING FOR EVERY ONE

No. CWC/1-Policy Misc/Rectt/2018-19

Dated: 31.07.2018

CIRCULAR

Central Warehousing Corporation has been undertaking recruitment of the staff and officers against various positions from time to time. It has been seen that many officials, taken against direct recruitment, are given first posting in Construction Cells/Regional Offices & Corporate Office. The working at these establishments is entirely different from the working at the warehouses. The officials initially posted at these Units do not get adequate exposure to the core activities of the Corporation and hence cannot facilitate decision making in true sense keeping in view the business constraints at the field units.

It has, therefore, been decided with the approval of Competent Authority, that all the Management Trainees, being recruited will be posted at the Warehouses/Base Depots for the initial period of one year. All the Group-A officials recruited shall be posted at the warehouses during the probation period invariably atleast for 03 months to make them familiar with the core activities of the Corporation. All the Group-B & C officials recruited will be sent to the warehouses atleast for one year. Normally, officer having adequate exposure for working at the field units in the Corporation, shall be preferred for posting as Regional Managers.

The above policy guidelines may be followed scrupulously for transfer/posting of the new entrants in the Corporation.
