**Sub: Insurance of CWC godowns/building on 100% reservation/dedicated
Warehouse facility at Central Warehouses .**

Sir,

Instances have come to the notice that while providing the storage facility to the various depositor(s) on 100% reservation/dedicated Warehouse facility at Central Warehouses, Insurance Policy is being obtained by the respective depositor(s) for the safety of their stocks only against the risk of burglary/theft/riots/strike/flood etc. at their own cost without having the provision of Insurance cover of building/godowns belonging to CWC.

Wherever the godowns have been given on dedicated basis and Corporation has not taken the liability of Insurance of godown/premises, it has been decided to ask such depositor(s) for making the provision of Insurance of CWC building/godowns/fixtures, being utilized by them for storage of their stocks on 100% reservation/dedicated basis for full compartment/godown in the agreement executed with the depositor for the purpose and Insurance policy/cover is obtained by all the existing depositor at their own cost for all the perils like Fire, Flood, Riots/strike so that CWC premises is handed over back in the same condition as taken over at the time of initial utilization/ execution of agreement. The Insurance Policy is to be endorsed by Insurance Co. in favour of CWC. Such provision may also be made in all future agreements.

Yours faithfully,

(O.P. BHARATI)
