CIRCULAR NO.175

This is in continuation of Circular No.174 dated 08-06-2015, while adopting e-tender process, tenderers were required to upload the self-attested copies of the documents under valid digital signatures for eligibility criteria.

In order to increase the competition amongst the contractors, it has been decided with the approval of the Competent Authority that in e-tendering the documents required under technical and price bid should be uploaded under valid digital signatures/certificates and there is no need to sign the documents manually as documents uploaded under DSC are deemed to be digitally signed. The same should be incorporated in tender documents explicitly.

These instructions should be followed with immediate effect.
