Trade Notice

CWC has conveyed the likelihood of revision of charges for various CFS operations w.e.f. 01-04-2020, vide our Trade Notice dated 26-02-2020. However, taking into consideration hardship faced by the trade due to COVID-19 pandemic and nation-wide lockdown subsequently, the decision to revise the charges has been deferred.

The existing rates have not been revised for the past three years. Since the operational cost has increased, it has become inevitable for CWC, to revise the CFS charges for various operations w.e.f. 15-07-2020. The new rates effective from 15-07-2020 are furnished in the Annexure.

The trade is requested to make note of the same.

Encl : as above.
