SUBJECT: Clause to be inserted in price bid of H&T tenders - reg.

Sir,

It has been observed in one of our Region that H&T bills were allowed to be paid on next higher slab due to slight variation in weight of the standard bags of food grains say 1 or 2 kgs higher than the weight of standard bags resulting in the recovery made by FCI from our storage charge bills.

To overcome this situation with the approval of Competent Authority it has been decided to insert following clause in the price bid of tender for H&T work with immediate effect.

“In case of bags of weight upto 42Kg and 52Kg the same rates will be applicable for handling operations as that of bags of weight of 40Kg and 50Kg respectively”

It is further reiterated as per standing guide lines vide Circular no. CWC-CD/IX-H&T/Policy/05-06 dated 07.12.2005 that the SOR of FCI applicable in the respective states has to be followed.

This for your information and necessary compliance please.

Yours faithfully,

(Mritunjoy Kr. Verma)
