1. This is in continuation to letter dated 29.11.2021 on the cited subject and above referred letter dated 17.4.2021 and to refer to point No. 4, stating therein that the “medical reimbursement shall be allowed, as per actual expenditure for the treatment of Covid-19 disease in any (private/Govt.) hospitals,” to all staff.

2. Now it has been decided that the facility of above medical reimbursement stands withdrawn with immediate effect, to those staff who have not taken Vaccination & get affected by Covid, as they are not diligent towards their health and may also become carrier of Covid Virus for their family members & their colleagues for not being vaccinated.
