जन जन के लिए भण्डारण - WAREHOUSING FOR EVERY ONE

AN APPEAL TO CWC FAMILY TOWARDS NATIONAL DUTY

Our countrymen are fighting against the pandemic caused by the outbreak of Novel Corona Virus (COVID-19) which has posed unprecedented challenges and risks. The whole world is grappling to overcome this demon. Already many fellow citizens have been tested positive and several thousands have been quarantined. The country has come to a standstill. The Government of India is doing their best by making necessary arrangements to contain the spread of COVID-19 as well as provide the best medical care to the affected citizens.

Your organisation has gone beyond the call of duty, by providing necessary support to the Government to fight this pandemic. Our fellow CWC brave-hearts, across the country, are doing their best, by ensuring that vital supply chains of essential services are functioning unhindered, particularly Public Distribution System, supply of essential rations and other commodities. Further, such testing times demand solidarity and commitment from all citizens. And the Government need more financial support from the citizens for creating necessary medical infrastructure, providing essential services to the people, arranging pharmaceuticals, medicines, etc. The CWC family stands by the nation and is well seized with its responsibility.

I, therefore, solicit cooperation from every member of CWC family and make an earnest appeal to all of you to contribute at least one day's salary towards the Prime Minister's Relief Fund by surrendering equivalent day(s) Earned Leave. Your valuable contribution would go a long way in helping Government to save many precious lives and mitigate the hardships faced by the country.
