	C & Unclassified Cities	Rs.85/-	Rs.50/-	

NOTE:- In case the OPD treatment is taken from empanelled Hospitals, the consultation fee charged by these Hospitals may be allowed on actual basis or on agreed rates.

2. Reimbursement of clinical tests on OPD treatment at par with indoor treatment:

At present the clinical tests/procedures for OPD treatment are reimbursed to the employees at CGHS rates. It has been decided that in case the tests/procedures under OPD is got done at the empanelled hospitals/clinical or diagnostics lab or institutions, the reimbursement charges /expenses incurred towards diagnostic tests will be allowed at the rates at which the hospitals/clinical or diagnostic labs or institutions have been empanelled by the Corporation i.e. either at CGHS rate or at the rate of Hospital/clinical or diagnostic labs or institutions as is done in case of indoor treatment.

3. Reimbursement of diagnostic tests from empanelled hospitals/ clinical or diagnostic labs or institutions on actual basis where no CGHS/AIIMS rates have been prescribed:

The Personnel Division Circular No. CWC/Misc.-I/Med.Rev./Admn. dated 04.12.2003 regarding reimbursement of expenses incurred towards diagnostic/pathological tests at par with the lowest rate offered by the empanelled hospitals in case of diagnostic tests for which CGHS/AIIMS has not prescribed rates was reviewed and it is felt that there is practical difficulty involved in seeking comparative rates across all empanelled hospitals or seeking treatment from a particular empanelled hospital, and further, this defeats the very purpose of empanelling multiple hospitals for locational advantage of the beneficiary employees. It has been decided to allow reimbursement in such cases on actual basis as charged by the empanelled hospital/ clinical or diagnostic labs or institutions where the employee undergoes treatment/tests /procedures.

4. Dental Treatments:

In case of dental treatments the rates charged by empanelled hospitals will be allowed on actual basis for such treatments undergone at any of empanelled

hospitals. Similarly dental treatment if taken from dental clinics/other than empanelled hospitals etc. the reimbursement shall be allowed @75% of the rates prescribed by Sir Ganga Ram Hospitals for dental procedures.

5. ROOM RENT FOR INDOOR TREATMENT

Sl No	Designation	Category of room	Entitlement of room rent	Proposed room rent excluding taxes
1.	MD, Functional Directors & CVO	Suites	Suites	12000/-
2.	GM/DGM/AGM/SE & equivalent	Deluxe	Deluxe	9500/-
3.	Manager/SAM/SIO/AM/AE/Supdt & Equivalent	Single	Single	7500/-
4.	Group 'C'	Category 2	2 Bedded	5600/-
5.	Group 'D'	Category 3	3 Bedded	4100/-

Treatment taken at ICU/CCU etc. shall be reimbursed as per actual for all categories, since, the patient is admitted in ICU/CCU etc. for the seriousness of illness.

The room rent shall be restricted as per the financial ceiling as shown against respective category of employees irrespective of type of accommodation occupied/availed.

NOTE :

- A. The above entitlements will be applicable for hospitals in NCR/Metro city and for other places in the country, the entitlement shall be worked out & decided by RM concerned in the proportion of HRA of that particular places. For example if the category of employees is Group "C" and rate of HRA is 15% at the particular place then room rent would be worked out as under keeping in view the HRA at Delhi (NCR) being 30%.

- i) Entitlement at NCR = 5600/-
- ii) HRA at a place 15%.
- iii) Room rent of Gr. 'C' at that particular place = $5600 \times 15 / 30 =$ Rs.2800/-

The ceiling fixed above is commensurate with the designation of the various officials of the Corporation.

6. It has been decided to empanel more and more reputed Hospitals and clinical labs (chain of Hospitals and labs) throughout the country by the RMs after following the laid down procedure at cheaper/discounted rates after negotiating the same.

7. The other items not covered above, the existing terms and conditions would continue. In the light of this the following items are reproduced:-

a.) In homeopathic treatment, the doctors do not prescribe medicines but also supply the same to the patient by themselves often and charge consolidated amount towards consultation fee as well as cost of medicines. It has therefore, been decided that the reimbursement in case of homeopathic treatment may be allowed upto Rs.60/- for 3 days treatment and Rs.100/- for one week treatment and upto Rs.150/- for fortnight treatment. The treatment should be taken from a qualified doctor and the registration number of Homeopathic doctor should invariably be indicated. For empanelled hospitals, the direct payment system would continue.

g. Issuing of authorization letter to the empanelled hospitals in Delhi/NCR for the Indoor treatment of employees and their dependent under direct payment system:-

The Authorization letter can be issued on the recommendation of hospital's Doctor concerned mentioned with the date of admission by the concerned RM's/CC's heads for the officials working under their jurisdiction. The medical bills raised by the concerned hospitals will be settled by the RM's/CC's heads as is being done now also.

- h. As and when CGHS revises the Rates, the same can be down loaded from the CGHS websites and the same can be implemented by the concerned RM's/CC's heads in their Region, wherever applicable.

The medical scheme in case of C&D employees will be applicable for indoor treatment only since for outdoor treatment, they are already covered under MOU signed between the Management and union Representatives from time to time, whereby they are allowed a quarterly fixed allowance.
