Sub: Posting of Warehouse Managers-----reg.

Sir,

The Indian Economy is riding on the wave of high risks and uncertainties. In this changing scenario, the aggressive thrust shall be required for the marketing of our services to the potential customers. Many a times, the customer does not come to us because there is lack of persuasion by our officers. It is also observed that in the past two decades, the new segments in the market have emerged, which are totally different from food grains and agri-business. Different skill, qualification and attitude is required to seize such business opportunities especially when the private players have also entered into the field of warehousing and Logistics.

As a part of aggressive thrust, we have recruited good persons with high qualifications in recent past but most of them have been posted in ROs/CO and CWC is lacking of such work force at warehouse level.

In view of the present scenario, Competent Authority has decided that Group A, B & C officers should be posted as Warehouse Manager. Group D promotee may not be conversant with computer/internet and may be handicapped in dealing B2B interaction. They shall be therefore posted at the centre, where officer senior to him is the Warehouse Manager. It is further decided by the Competent Authority that every official shall be given an exposure of the functioning of Warehouse for 4-5 years. (Except Finance and Engineering Cadres).

Yours faithfully,

Arvind Chaudhri
