

Central Warehousing Corporation
(A Govt. of India Undertaking)

No. CWC/Insp./Deployment/Consultant/2019-20

Dated: 26.4.2019

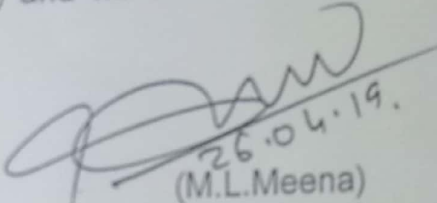

CIRCULAR

Sub: Issue of Inspection Programme to the Consultants working under jurisdiction of RMs.....regarding.

Whereas we are rapidly moving towards paper less work in General as well as Technical Inspections. The implementation of DoS and WMS also implies need for hands on knowledge of computers to the IOs to conduct Inspections at the Warehouses. It is pertinent to mention here that the consultants and the IOs must be conversant with computer working and they must submit in a computer point only in the ISO format.

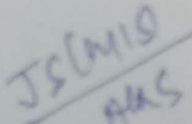

All RMs therefore must take a cognigent view before issuing the inspection programme and comply with the instructions issued by MIS/QS Divisions also in respect of DoS, WMS & Quality System.

This issues with the approval of GGM(T) and will come in force w.e.f. from 01.05.2019 positively.

26.04.19.
(M.L.Meena)
Dy. General Manager(Insp.)
