CIRCULAR

Sub : Supply and Use of Protective gear – Reg

Despite the COVID-19 Virus pandemic and Lockdown, CWC is playing a significant role in handling of food grains in the service of nation, being part of the essential services.

Our contractors' staff are also doing a commendable job in ensuring food security to the nation, in these testing times. The CWC as well as contractors' staff, particularly supervising, loading /unloading railway rakes are exposed to the threat of contracting the COVID-19 Virus being contagious in nature. The GOI has issued detailed advisory on the precautions to be taken to contain the spread of the COVID-19 Virus, which all concerned have to follow in letter and spirit.

However, instances, have come to the notice of this office that at many places, the staff and labours are undertaking operations with inadequate Personal protective equipment (PPE), i.e. proper masks and sanitizers or soap, etc.

Therefore, ensure that CWC's staff and labours are provided with PPE. Expenditure may be borne by CWC, if H&T contractor is failing on this account, in the larger interest of public health. Labours working in the premises of CWC or at Rail head may be sensitised with precautions to be observed against Covid-19. They may also be impressed upon to not to touch the face unless the hands are properly sanitized or washed with soap as per hand wash protocol.

The above instructions may be brought to the notice of all concerned for strict compliance.
