Dated: 03<sup>rd</sup> June 2014

**CIRCULAR**

Ministry of Consumer Affairs, Food & Public Distribution, vide its **Office Memorandum dated 20<sup>th</sup> May 2014** has directed that government organizations should prepare a detailed transition plan for complete migration to IPv6 by December 2017

Accordingly, all the Divisions of Corporate Office, Regional Offices and other units responsible for purchase of IT equipment and other related components are hereby informed that hence forth only dual stack or on native IPv6 complaint/ready equipment which is capable of carrying IP traffic in networks should be purchased.

Further, it should also be ensured that software application already in use having IP processing/carrying capabilities if any, shall be upgraded to dual stack or on native IPv6 and new software applications shall have Ipv6 network interface invariably.

Please contact the undersigned for any help/assistance required.

(A. M. Rao)
