No. CWC/MIS/E-procurement/2018-19

Dated: 07.05.2019

CIRCULAR

Sub.: Reiteration of circular number CWC/MIS/E-procurement/2018-19/537E dated 18.03.2019...reg.

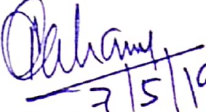

The circular of even number dated 18.03.2019, may please be referred vide which, guidelines of receiving EMD, Tender processing fees and Tender cost through E-payment gateway only of the E-Procurement system (www.tenderwizard.com/CWC) were circulated.

This is again to reiterate that the payment modes other than E-payment have been discontinued from the E-procurement portal of CWC. It is obligatory to apprise the bidders for the same and therefore, necessary and self explanatory corrigendum for live tenders, if any, may be issued about the changes at the earliest.

Currently, the E-procurement system of CWC provides following methods of payment to the bidders for paying various charges such as EMD, Tender processing fees and Tender cost:

1. **E-payment Gateway** : Through this method the bidders can pay the requisite charges through Debit card, Credit card, Net banking, IMPS, Google Pay and BHIM.
2. **NEFT/RTGS (Through Challan)** : This method allows the bidders to generate challan in reference to requisite charges and the same is to be submitted in the bank. The details will get automatically updated in the portal in due time once the challan is submitted in the bank.
3. **Exemption** : This method allows the MSME bidders to complete the process as they are exempted from paying charges towards EMD and Tender cost. For this the bidders needs to mention the number of the requisite certificate along with uploading a copy of the same.

The above direction must be complied at the earliest to avoid any inconvenience to the bidders.
