SUB: Collection of SD for utilization of open space for utility purposes

Sir,

This office has been receiving correspondence from various Regional Offices regarding collection of Security Deposit (SD) with respect to the space utilized by depositors for non-operational purposes in CWC warehouses.

The matter was examined and it has been decided by the Competent Authority that SD shall not be collected from the depositors for utilization of open space for utility purposes such as Parking, toilets, installation of antenna, generators etc. i.e. for area not being used for commercial purposes but are incidental to their operations. However, if the open space is used for storage of cargo like GAIL is using, the SD on such space will be collected as per the DWT/SDWT agreement.

These instructions are implemented with immediate effect.

Yours Faithfully,

Rajeev Kumar Bansal
GM(Comm.)
