## A. POLCIIES TO BE TAKEN AT CORPORATE OFFICE LEVEL.

- 1. Standard Fire & Special Perils Policy for stocks on declaration (floater) basis.
  - a) This insurance policy covers the stocks stored/kept in the godowns as well as in the open area within the warehouse complex in all the warehouses (other than stock stored in Bonded Warehouse/Godowns, CFS, ICDs,) all over India against the risks of fire, flood, cyclone, riot, strike and malicious damage.

However, the stocks stored at cold storages are excluded from the purview of this policy for which Regional Managers have been authorised to obtain a separate insurance policy (refer B.4 of circular) locally alongwith deterioration of stocks and the machinery breakdown policy.

Under the terms of this policy, each godown is to be specifically identified and the value of stocks stored therein declared every month (Average value) by all the warehouses to their controlling RO, who in turn, will consolidate the same for all the warehouses in the region and furnish the consolidated data to the Corporate Office by e-mail only in prescribed proforma by 7<sup>th</sup> of the following month.

- b) The stocks stored at the warehouses situated in Guwahati Region, ICP Attari (Amritsar), ICP Agartala and at Central Warehouse Shahalam Road under Ahmedabad Region are also insured against the risk of terrorism.

This floater policy covers the stocks stored in CFS/ICDs relating to Custom Bonded Warehouses/Godowns.

It may be noted that the stocks lying in the sealed containers at CFS/ICDs in the open area are to be treated as stocks stored inside the godowns. For the stocks stored in bonded warehouses, the value of all live bonds furnishing therewith the CIF value **excluding the custom Duty**.

It is, therefore, requested that separate declaration may please be given in the revised format in this regard. Please also note that the custom bonded goods in multiple warehouse where general and bonded goods are stored, the value thereof should be indicated separately in the monthly value declaration proforma prescribed.

#### 3. Custom Duty all risk Insurance Policy.

This policy is to cover all risk of **Custom Duty** in respect of stocks stored at Bonded warehouses/CFSs/ICDs and ICP Attari & Agartala.

In case, it is found that any other godown building, which falls under any of the above categories, has not been intimated the details thereof may be furnished to the Insurance Section at Corporate Office immediately for arranging its insurance. It may also be noted that it is not possible to obtain the building insurance cover for any one compartment separately, but the coverage has to be for the godown building as a whole.

According to the procedure presently in vogue, the Corporation has been insuring its own constructed godowns buildings only in respect of structure value above the plinth level.

Though monthly declarations are not required for this policy, the Warehouse Managers are required to maintain necessary record of the value of such items e.g. additional facilities such as Central AC Plants, Elevators Lifts, Sensors, Sprinklers installed in certain special warehouses and also of dead stock items in a separate register – called the "CWC's Property & Dead Stock Register", at the warehouses for verification by the surveyor in the event of any loss.

#### 5. House Breaking & Burglary Insurance Policy.

All the stocks as well as the Corporation's own property lying inside the godowns as well as in the open area in the warehouses are covered under this policy. This policy covers the risk of theft, burglary and house breaking and is taken for all the godowns in all the warehouses/<u>CFS/ICDs/ICPs</u>, Cold Storage Warehouses except those under the management basis. The claims, if any, arising out against this policy are settled by the insurer at the rate at which monthly declarations are furnished by the Warehouse Managers for the depositors' stocks and rate recorded in CWC's Property & Dead Stock Register for the CWC's property.
