## **CIRCULAR**

### **Subject: Basic Life Support Awareness Program...reg**

Each one of us must have faced a situation in life when someone gets unconscious and we are not aware of how to give the person Cardio Pulmonary Resuscitation (CPR).

CPR is a very useful lifesaving technique that's useful in many emergencies, such as a heart attack or near drowning, in which someone's breathing or heartbeat has stopped.

In this regard CWC in collaboration with Heal Harbour is organizing a Basic Life Support Awareness Program at Corporate Office, New Delhi on **22<sup>nd</sup> April, 2022 from 1400 hrs onwards**, with the live viewing facility available to all through virtual mode. This is an opportunity for all our employees to attend the session, get themselves acquainted about the process of CPR from American Heart Association certified BLS & ACLS instructor.

The Link for the program is below

Thus, all the executives, officials and employees of Central Warehousing Corporation are requested to participate wholeheartedly in the program to make the most of the opportunity.
