Dated: 21.09.2023

CIRCULAR No. 05/2023

Ref: (i) Circular No. CWC/CO-FD0PAY/03/2021-FINANCE dated 26.04.2021

Presently, every tariff needs to be processed and routed to MD for final approval which is a time taking process and thus chance of opportunity loss is there. In order to expedite, petty tariff issues like fixation of a new commodity, fixation of existing commodities with new bag size, weight category, Competent Authority has approved that in those cases where only new commodity is to be added or weight or packing is to be added based on the existing tariff calculator the HoD (Commercial) is empowered in concurrence of Finance for inclusion/approval of such tariff. However, the yearly tariff fixation and review of the same from time to time will be as per existing practice i.e. MD will be the approving authority.

Following modifications are made in the existing DoP with the approval of competent authority by introducing new DOP clause as DOP no. 27 B as under :

S.No.	Subject matters	GM	DGM	AGM
27 B	Tariff fixation for the new commodity, existing commodity with new bag size, weight category	HoD (commercial) as per the approved tariff calculator, with the concurrence of HoD (Finance). The yearly tariff fixation and review of the same from time to time shall be as per existing practice i.e. with the approval of MD.
