21<sup>st</sup> September, 2020

### GST CIRCULAR NO.27

**Sub: Generation of e-invoices with Invoice Reference No( IRN) & Quick Response (QR) Code for B2B Transactions at all the locations of CWC w.e.f. 1<sup>st</sup> October, 2020**

- 1.0 May please refer GST circular No. 21 vide which it was informed that e-invoicing as per GST Law is mandatorily to be implemented in CWC. As per the latest Govt. notification, CWC is required to generate e-invoice containing the IRN & QR code ( to be fetched from GSTN) w.e.f. 1<sup>st</sup> October, 2020 from all the business locations viz. Warehouse, CFS, ICDs, ICPs etc.
- 2.0 At present, e-invoicing is mandatory for B2B (Business to Business) transactions only. E-invoicing is not mandatory for Bill of Supply (i.e. exempted supplies where no GST is charged) and B2C transactions (where the customer is not having GST or the customer is unregistered). In case of B2B transactions, IRN and QR Code needs to be fetched from GSTN portal and is required to be printed on the invoice before giving the same to the customer.
- 3.0 As aware, CWC is using following software's for generation of invoices:
  - (a) Warehousing Management System (WMS) for the generation of invoices at all warehouses.
  - (b) Software's installed by different vendors at various CFS/ICD/ICPs.
  - (c) Generation of invoices through Tally ERP for the invoices which do not fall under a) and (b) above e.g. tender fees, transfer of assets, sale of scrap , Guest House receipts, rent etc.

Apart from (a), (b) and (c) above, invoices are also being generated manually at some of the warehouses and other locations, where none of the above systems is available.

- 4.0 For generation of e-invoices from the WMS software and CFS/ICDs software, the concerned software vendors have been instructed to do the API integration of their software with GSTN to make their software's e-invoice compliant.
- 5.0 However, till the time, these software's are made e-invoice compliant, as a standby arrangement, it has been decided to purchase an excel based utility software solution through which users of CWC can generate IRN & QR code required for e-invoicing. Once the system-based solutions are made available, the excel based utility software i.e. standby arrangement will be discontinued for e-invoicing.
- 6.0 Accordingly, following actions have been taken to generate E - invoice with effect from 01.10.2020:
- a. Around 450 user ids are being created at C.O to enable the Warehouse managers, Regional Managers and regional account heads to generate the e-invoice as per the GST Law using the excel based utility software. List of the users is placed at Annex-I which may be seen, checked and modification required be advised.
  - b. The Regional Account heads shall be the sub- admin users who apart from the creation of e - invoices can also manage and monitor the users of their regions.
  - c. For using the software , an excel template needs to be filled which needs to be uploaded in the software utility for generation of printable PDF invoice with IRN and QR code as provided by the IRP portal of NIC. In such a case, the software utility provider shall also act as the authorized GST Suvidha Provider (GSP) of CWC. There shall also be the option to directly fill the details in the software to generate the e- invoice. Format of Excel Template is placed at Annex- II.
  - d. The software vendors of WMS & CFS/ICD/ICP have also been instructed to provide the data in the desired excel template to the users so that the same can be directly uploaded into the excel software utility.
  - e. Hardware and software requirement for the excel based utility is a PC /Laptop with Internet and MS Office.The sample of printable PDF invoice with IRN and QR code as provided by the

IRP portal of NIC is placed at Annex- III. This shall be attached with the CWC Invoice to be given to the customer.

- f. The detailed guidelines for the usage of the standby software utility shall be sent separately along with the necessary trailing manuals/ video tutorials. A centralized helpdesk is also being planned.

This issues for the information of all concerned.
