CRWC-II/CO/Reservation Tariff (per sq meter)/2021-22/950

Date 03.09.2021

CIRCULAR

Subject: Fixation of Tariff for Reservation (Per Square Meter) for Parcel/Cold Chain/e-Commerce business.

There has been increasing demand of storage space from Parcel/cold chain/e-commerce companies and vacant space at RWCs may be offered for the same.

The revised tripartite MOU with Railways entered into in May 2021 has been modified and provides for at least 70% of warehousing capacity for Rail borne traffic cumulative for all RWCs in place of individual 70% capacity of each RWC.

Accordingly, Competent Authority has approved the reservation tariff on per square meter/month basis (enclosed) to be implemented with immediate effect with the following conditions:

1. Preference will be given to such depositors/ customers who handles / do consolidation of rail-based cargo, parcel, cold chain, e-commerce etc, on long term dedicated basis to promote rail bound freight traffic. However, in absence of rail-based traffic, road-based commodities will also be permitted for storage under per Sq meter Reservation.
2. Ratio of 70: 30 for Railways and Road Traffic to be strictly maintained.
3. Complete vacant space is not to be allotted to one depositor to avoid any subletting.

The tariff will be applicable till 31.03.2022.
