CWC/MIS-Website-DM/clarification/corrigendum-2/2018-19

Dated: 27.09.2018

Corrigendum & Pre-Bid Clarifications

Attention of all concerned is hereby invited to the NIT bearing No. CWC/MIS-Website-DM/2018-19 Dated: 04.09.2018 for “redesigning/revamping, content management, maintenance of its existing website www.cewacor.nic.in which is hosted on NIC cloud server, development of mobile application on Android and IOS platform for online space booking of warehouses and digital marketing”.

In this regard, the last date for uploading the bids / opening of aforesaid tender / clauses has been changed as per details given below:

<u>Sr.No</u>	<u>Query by the bidder</u>	<u>Clarification</u>	<u>Corrigendum</u>
(1)	(2)	(3)	(4)
i.	As CWC is redesigning/revamping existing website so what is the purpose of maintenance of existing website as CWC is developing new website.	The selected bidder is required to maintain the new website post go-live. Refer to clause number 1 of Section-III of tender document.	-NA-
ii.	Application for WMS is already developed in existing website. So bidder has to develop the same WMS application in new website.	Development of WMS is out of scope of this tender. However, the warehouse space booking is also to be undertaken in the new website. Refer to Clause no. 1 of Section-III of the tender document.	-NA-
iii.	We are assuming that hindi content will be added by CWC admin user. However bidder has to develop such provision in CMS to add / update Hindi contents of new	The resource that will be provided by the agency for the content updation of website will be responsible for adding any content to the website. However, content will be	-NA-

	website.	provided and validated by CWC. Refer to clause 1 of Section-III of tender document.	
iv.	We understood that CWC admin will be able to upload event details only. There will not be complete event management e.g jury details, trainers details, jury travel plan, any e-payment for event etc. will be not be part of event calendar. Only event uploading and archiving will be covered in event calendar.	Bidder's understanding is correct. However, only event's important details will only be uploaded. The resource deployed by the agency will be responsible for updation. Refer to Clause No. 2.3 of Section-III of tender document.	-NA-
v	It is our understanding that, new website will have tender section and all the tender uploaded in new website will be integrate with existing website www.cewacor.nic.in . Apart from that there will not be complete tendering process such as tender opening, tender evaluation, winner of tender, etc. CWC admin will be able to upload tender under tender section and system will archive tender at date specified by CWC admin.	The present website www.cewacor.nic.in will only be redeveloped/revamped. The tender section of this website has to be integrated with the CPP portal to publish tenders simultaneously. The bidding activities such as opening, evaluation of tender etc is out of scope. Refer to Clause No. 2.4 of Section-III of Tender Document.	-NA-
vi	We are assuming that CWC admin will be able to upload current job opening with basic details. New website will not contain end-to-end	-NA-	Corrigendum-i
