Sub.: Revision of storage tariff w.e.f. 01.04.2024 at Central Warehouses.....reg.

Sir/Madam,

In reference to this office letter No. CWC CO-CD0COST/3/2022-COMM (95836) dated 03.03.2024 regarding revision of tariff for FY 24-25 w.e.f. 01.04.2024, this office received feedbacks from some of the Regional Offices which have been reviewed and the Competent Authority has approved the tariff with few amendments in tariff circulated vide above said letter dated 03.03.2024. The tariff for FY24-25 has been finalized, taking into account the business scenario, market conditions, existing depositor and commodity profile, market rates, utilization pattern of the warehouse, establishment and operational cost, repair & renovation costs and other relevant factors.

1. The **Area Basis Tariff** for all existing warehouses has been revised in line with the recommendations of RMs, occupancy of the WHs, Depositors' profile and market rate in the locality. The Warehouse wise category, DWT Area Rates (Gross) in Sq. ft., Special DWT Area Rates (Gross/Net) in Sq. ft., Bonded Rates (Gross) in Sq. ft. and Fertilizer Rates in MT are enclosed as **Annexure-I**.
2. The **Commodity wise Tariff** (Bag Basis) has been kept unchanged for majority of the warehouses. Commodities, whose tariff was fixed during FY23-24, have been included in the tariff, if any such commodity is not included in tariff, intimation to this office may be done. If any such commodity or any new commodity is received at the warehouses, the proposal for the same may be sent to CO for fixation of storage tariff accordingly. The revised Commodity wise tariff is enclosed as **Annexure-II**.
3. The **Special Commodity Tariff for Farmers & Traders** (Bag Basis) which was issued in the year 2022-23 i.e. dated 14.09.2022 shall be continued for the lowest three categories i.e. 740, 780 and 860. The Special Tariff is enclosed as **Annexure-III**.
4. Tariff for CCI Cotton Bales (Management and Hired WHs), Weighment Charges, Metals storage, Cold Storage Vashi, Ambad (Nashik) charges has also been revised and attached as **Annexure-IV**.
5. Considering the inventory management and extra establishment cost for storing and managing books, the SDWT tariff for '**BOOKS**' stored under SDWT has been fixed and retained at 36% higher than DWT tariff as per **Annexure-V**.
6. Preservation Charges for SDWT depositors shall be applicable as per **Annexure VI**.
7. In case of utilization on Dedicated Warehousing Terms (DWT) being inbuilt annual escalation clause, the annual escalation of tariff as per the agreement shall continue to be applicable from due date (date of anniversary or financial year wise as applicable).

8. The Warehouse Categories have been retained as 11 only.
9. Bonded area tariff shall be applicable only for custom notified warehouses, if any Time Barred bond (TBB)/seized/confiscated cargo are lying in such warehouses those are not custom notified then the storage charges shall be applicable as per SDWT rates.
10. **FCI/SCSC Gunny Bales:** Separate bills to be generated for food grain and gunny bales stored within reserved space. The bills for food grain stored will not attract GST, however, bills for storage of gunny bales in reserved space will attract GST.

For example; at any center FCI/SCSC has reservation of 5000 MT and out of this 5000 MT capacity FCI stored 100 MT of gunny bales and 4900 MT of food-grain, in this scenario the separate bills will be raised for 4900 MT food-grain on reservation rates (without GST) and for 100 MT gunny bales on reservation rates (with applicable GST).

This shall be applicable only where minimum guaranteed reservation period is of 01 year.

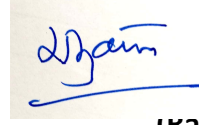

11. Tariff with regard to FCI on guarantee basis is regulated by the Ministry, based on recommendations of Chief Advisor Cost (CAC), Ministry of Finance and the same shall be circulated as and when revised.
12. No rebate may be allowed without approval of Corporate Office except under DoP of RMs. The existing rebate of 10% to Co-operatives/ Agri Start-ups and 30% to Farmers i.e. bonafide agriculturist only for the storage of their products as per Para 7 of CO circular issued vide letter No. CWC-BD/II-Tariff/91 dated 13.01.1992 may be continued. Rebate on account of bulk storage, longer term storage and other special circumstances shall be decided on case-to-case basis with the prior approval of Corporate Office if it is beyond the DoP of RMs. Rebate already offered will continue till expiry of period agreed upon. All other Rebate shall be regulated through rebate policy circulated vide letter no. CWC CO-CD0DEDI/6/2023-COMM dated 08.01.2024.
13. It may be ensured and confirmed that tariff of all the warehouses under your jurisdiction has been revised and implemented. Further tariff for any other general warehouse/commodity which has not been included in the revised tariff may be brought to the knowledge of CO for fixation/revision. **If any centre has been closed and still appearing in tariff, the same may be intimated to CO.**
14. Storage/MF tariff for CFS/ICD/ICP/ACCs/RWCs may continue to be fixed for each centre depending on its location, availability of business and quantum of competition. However, RM may send the proposal for revision of tariff if not considered/revised already. Under no circumstances the existing tariff will be continued beyond 01.04.2024 without CO approval.
15. Goods and Service Tax/any other tax as levied by the Central/State Govt. or local bodies, if any, will be charged extra wherever applicable, in addition to storage, insurance charges, weightment charges etc.
16. RM should bring out a booklet containing tariff for various warehouses/commodities in the Region and may communicate to concerned Warehouses/Depositors. It should also contain general terms and conditions for storage/delivery etc.
